Experience the book that started the Quiet Movement and revolutionized how the world sees introverts and how introverts

see themselves by offering validation inclusion and inspiration Superbly researched deeply insightful and a fascinating read Quiet is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population Gretchen Rubin author of The Happiness Project NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People O The Oprah Magazine Christian Science Monitor Inc Library Journal Kirkus Reviews What are the advantages of being an introvert They make up at least one third of the people we know They are the ones who prefer listening to speaking who innovate and create but dislike self promotion who favor working on their own over working in teams It is to introverts Rosa Parks Chopin Dr Seuss Steve Wozniak that we owe many of the great contributions to society In Quiet Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture She also introduces us to successful introverts from a witty high octane public speaker who recharges in solitude after his talks to a record breaking salesman who quietly taps into the power of questions Passionately argued impeccably researched and filled with indelible stories of real people Quiet has the power to permanently change how you see yourself Now with Extra Libris material including a reader's guide and bonus content *Embodying Our Faith* Tim Morey, 2009-11-30 Your Christians are so unlike your Christ Mohandas Gandhi famously critiqued the contemporary church with this pithy phrase Church planter Tim Morey keeps this challenge in mind as he coaches other planters in the Evangelical Covenant Church In this book he brings his experience combined with research and theological reflection to help your church cultivate the irreducible qualities of an embodied apologetic a community that is revealed by its faithful to be experiential communal and enacted *Here Goes Nothing* Kendra Broekhuis, 2017-02-28 What happens when you ask God What do you want me to do today This is not a success story And it's not one of those stories that has a beginning a middle and then a perfectly tidy hind end either It's really just a beginning For thirty days Kendra Broekhuis prayed to maintain the joy of being wife and mommy amid the daily grind To see the world through God's eyes To live intentionally To build relationships and share Christ's love with our neighbors To learn what it really means to give To collide motherhood with mission This became her motto her credo her personal mission statement Some days it led to actions the Lord gently nudged her to take Other days it led to reflections the Lord gently whispered into her heart Every day it led to a single word one underlying theme that ties all thirty days all thirty chapters and their wide variety of topics together giving These thirty days found Kendra and her husband and daughter in a strange time of transition They had just moved back to the United States after teaching for three years in the beautiful country of Guatemala They were in a new city working a new job living in a new apartment building in search of a new church And they wanted to put it all together all of their experiences all of the things they had just seen and learned and read and discussed It wasn't a clean slate but rather a chance to live intentionally When Kendra and her husband sought advice about the transition from fellow missionary friends the advice was Get to know your neighbors It might sound like strange advice but it

made sense Jesus tells us to Love God and love your neighbor Many times the word neighbor is meant to be vague but it shouldn't always be Part of being mission minded no matter where you live or work is being willing to love the people closest to you people we often overlook Kendra's neighbors as in the people who live in the other eleven apartments in her building are whom she often found the Lord's generosity overflowing to and from during these thirty days

Pouring In Kim Kurtz, 2018-03-13 The world had changed Families had changed Values had changed The meaning of religion had changed After author Kim Kurtz graduated from high school twenty five years ago the world was not what she expected The moral landscape of college and life thereafter was hostile and foreign She struggled when the faith of her childhood didn't translate smoothly into adulthood She was disillusioned when the formulas of faith and church that she had always known no longer worked The messiness of life the difficulty of marriage and relationships and the many ups and downs she experienced were overwhelming Her faith couldn't handle it and she walked away According to research Kim wasn't alone 75% of young people raised in a Christian home leave the church after they leave the home Numerous studies show that Christian families are losing their kids and have been for decades A majority of church youth aren't developing a personal powerful and passionate faith in Jesus Christ And a passive faith quickly fades to no faith at all We can no longer afford as Christian parents as the church or as a nation to ignore this problem *Pouring In* addresses the profoundly difficult task of passing on a lasting faith to future generations Effectively passing on the baton of faith allows our kids to experience the love peace and hope that can only come from a genuine relationship with Jesus Christ Make no mistake YOU have the power to greatly affect the trajectory of your child's faith

Jesus Feminist Sarah Bessey, 2013-11-05 Written with poetic rhythm a prophetic voice and a deeply biblical foundation this loving yet fearless book urges today's church to move beyond man-made restrictions and fully welcome women's diverse voices and experiences A freedom song for the church Sarah

Bessey didn't ask for Jesus to come in and mess up all her ideas about a woman's place in the world and in the church. But patriarchy she came to learn was not God's dream for humanity. Bessey engages critically with Scripture in this gentle and provocative love letter to the Church. Written with poetic rhythm, a prophetic voice, and a deeply biblical foundation, this loving yet fearless book urges today's church to move beyond man-made restrictions and fully welcome women's diverse voices and experiences. It's at once a call to find freedom in the fullness, hope, glory, and work of Christ and a very personal and moving story of how Jesus made a feminist out of her.
