

THE PARALYMPIC GAMES EXPLAINED

Ian Brittain

By Ian Brittain The Paralympic Games Explained First 1st Edition

Steve Bailey

By Ian Brittain *The Paralympic Games Explained First 1st Edition:*

The Paralympic Games Explained Ian Brittain, 2016-07-01 The Paralympic Games is the second largest multi sport festival on earth and an event which poses profound and challenging questions about the nature of sport disability and society The Paralympic Games Explained is the first complete introduction to the Paralympic phenomenon exploring every key aspect and issue from the history and development of the Paralympic movement to the economic and social impact of the contemporary Games Now in a fully revised and updated second edition it includes new material on hosting and legacy Vancouver 2010 to Rio 2016 sport for development and case studies of an additional ten Paralympic nations Drawing on a range of international examples it discusses key issues such as how societal attitudes influence disability sport the governance of Paralympic and elite disability sport the relationship between the Paralympics and the Olympics drugs and technology in disability sport classification in disability sport Containing useful features including review questions study activities web links and guides to further reading throughout The Paralympic Games Explained is the most accessible and comprehensive guide to the Paralympics currently available It is essential reading for all students with an interest in disability sport sporting mega events the politics of sport or disability in society *The Palgrave Handbook of Paralympic Studies* Ian Brittain, Aaron Beacom, 2018-02-15 This handbook provides a critical assessment of contemporary issues that define the contours of the Paralympic Movement generally and the Paralympic Games more specifically It addresses conceptualisations of disability sport explores the structure of the Paralympic Movement and considers key political strategic and governance issues which have shaped its development The Palgrave Handbook of Paralympic Studies is written by a range of international authors a number of whom are senior strategists as well as academics and explores legacy themes through case studies of recent Paralympic games Written in the wake of the 2016 Rio Paralympic Games it provides an assessment of contemporary challenges faced by the International Paralympic Committee and other key stakeholders in the Paralympic Movement Its critical assessment of approaches to branding classification social inclusion and technological advances makes this handbook a valuable resource for undergraduate study across a range of sport and disability related programmes as well as a point of reference for researchers and policy makers *The Paralympic Games Explained* Ian Brittain, 2009-09-11 The Paralympic Games is the second largest multi sport festival on earth and an event which poses profound and challenging questions about the nature of sport disability and society The Paralympic Games Explained is the first complete introduction to the Paralympic phenomenon exploring every key aspect and issue from the history and development of the Paralympic movement to the economic and social impact of the contemporary Games The book introduces the three most important theoretical models of disability medical social and bio social to enable the reader to fully understand the Paralympics in the context of wider discussions of disability in society It also offers a straightforward explanation of the importance of language and terminology in shaping our understanding of disability and disability sport

Including international examples and comparative material throughout the book offers detailed and broad ranging discussion of key issues such as how societal attitudes influence disability sport the governance of Paralympic and elite disability sport the relationship between the Paralympics and the Olympics drugs and technology in disability sport classification in disability sport Containing useful features throughout such as review questions study activities web links and guides to further reading The Paralympic Games Explained is the most accessible comprehensive and thoughtful guide to the Paralympics currently available It is essential reading for all students with an interest in disability sport sporting mega events the politics of sport or disability in society

From Stoke Mandeville to Stratford Ian Brittain,2012 Dr Brittain documents the history of the summer Paralympic Games and presents it in one accessible and easy to read volume that focuses on Great Britain's participation in the games *The Paralympic Movement and the Paralympic Games* Ian Brittain,2024 The Paralympic Games are a major international sports competition for athletes with a variety of impairments physical sensory and intellectual held in conjunction with the Olympic Summer and Winter Games usually beginning about two weeks after the Olympic closing ceremony This article outlines the origins of the Paralympic Games how they developed who gets to participate and how they ensure fair competition given the differences in the type and severity of the impairments of the athletes who participate It will then highlight some of the historical connections between the Olympic and Paralympic movements how these connections have developed over time and the impact this has had on the two movements

The Palgrave Handbook of Paralympic Studies Ian Brittain,Aaron Beacom,2018-03-20 This handbook provides a critical assessment of contemporary issues that define the contours of the Paralympic Movement generally and the Paralympic Games more specifically It addresses conceptualisations of disability sport explores the structure of the Paralympic Movement and considers key political strategic and governance issues which have shaped its development The Palgrave Handbook of Paralympic Studies is written by a range of international authors a number of whom are senior strategists as well as academics and explores legacy themes through case studies of recent Paralympic games Written in the wake of the 2016 Rio Paralympic Games it provides an assessment of contemporary challenges faced by the International Paralympic Committee and other key stakeholders in the Paralympic Movement Its critical assessment of approaches to branding classification social inclusion and technological advances makes this handbook a valuable resource for undergraduate study across a range of sport and disability related programmes as well as a point of reference for researchers and policy makers

The Paralympic Games as a Force for Peaceful Coexistence Ian Brittain,2016 The International Olympic Committee advocates that one of the three ultimate goals of Olympism is to build a peaceful and better world through sport The International Paralympic Committee on the other hand is slightly less grandiose when stating its key aim of enabling Paralympic athletes to achieve sporting excellence and to inspire and excite the world However it does state that in inspiring and exciting the world its aim is to contribute to a better world for all people with a disability The objective of this paper is

therefore firstly to outline some of the reasons why the world might need to be made better for people with disabilities It will then look at some of the ways the Paralympic Games have contributed to this process since their inception as the Stoke Mandeville Games in the late 1940s Overall the objective of this paper is to highlight the ways in which disability sport and the Paralympic Games in particular have helped to break down some of the perceptual barriers that exist amongst non disabled members of society regarding people with disabilities thus promoting greater inclusion of people with disabilities and allowing them to live in more peaceful coexistence with their peers

From Stoke Mandeville to Sochi Ian Brittain, 2014-03 **History and Development of the Paralympic Games. Issues within the Paralympic Movement**, 2021-03-18 Seminar paper from the year 2020 in the subject Sport Disabled Sports grade 1.7 Munich University of Applied Sciences language English abstract This paper deals with the history and development of the Paralympic Games from their small beginnings as a competition for disabled ex servicemen and women in England founded shortly after the Second World War to the present international festival of Summer and Winter Games organized in conjunction with the Olympic Games Furthermore the development of the term Paralympic will be explained and some major issues within the Paralympic Movement will to be shown The Paralympic Games are a modern day sporting phenomenon that has grown from a small archery demonstration event many years ago to the second largest multi sport festival on the planet after the Olympic Games These Games for athletes with disabilities have played a major role in changing attitudes towards disability and accelerating the agenda for inclusion The Games trace their origins to the work of Dr Ludwig Guttmann at the National Spinal Injuries Unit at Stoke Mandeville Hospital in Buckinghamshire who used sport as an integral part of the treatment of paraplegic patients The first competition for wheelchair athletes named the Stoke Mandeville Games was organized by him on the day of the Opening Ceremony of the London Olympic Games in 1948 These Games later became the Paralympic Games which first took place in Italy in 1960 The Paralympic Games are the Olympic Games for athletes with disabilities and are nowadays organized by the International Paralympic Committee IPC In the beginning only paraplegic athletes were allowed to participate but this has changed in the past years Blind visually impaired amputees and athletes with other disabilities are also allowed to participate in the games To be able to evaluate the athletes fairly they are divided into so called damage classes

Athlete First Steve Bailey, 2008-02-04 Today the Paralympic Movement is recognised as a global sporting phenomenon attracting thousands of athletes from an ever increasing number of countries Athlete First provides a thoroughly researched history and analysis of the Paralympic Movement including the development and organisation of the International Paralympic Committee As well as recounting factual achievements and events the book examines the position of sport and international competition for people with a disability within their changing historical context and in relation to the Olympic Movement and able bodied sport The first history of the origins and development of the Paralympic movement Examines disabled sport and international competition within their changing historical context Includes details of key players

in the movement on and off the field Written in an accessible style by a recognised historian Athlete First will prove invaluable to researchers and professionals involved in the field of sport and disability as well as sport scientists and physical education specialists with an interest in sports history The Publisher appreciates the role played by the International Council of Sport Science and Physical Education ICSSPE in bringing this publication to fruition and acknowledges the financial assistance provided by the International Olympic Committee

Whispering the Secrets of Language: An Psychological Journey through **By Ian Brittain The Paralympic Games Explained First 1st Edition**

In a digitally-driven earth wherever displays reign supreme and quick conversation drowns out the subtleties of language, the profound strategies and psychological nuances hidden within phrases frequently go unheard. However, situated within the pages of **By Ian Brittain The Paralympic Games Explained First 1st Edition** a interesting fictional value pulsating with fresh feelings, lies an extraordinary journey waiting to be undertaken. Penned by an experienced wordsmith, that marvelous opus encourages visitors on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the emotional depths of this poignant evaluation, we shall embark upon a sincere exploration of the book is core styles, dissect their charming publishing style, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.
