By Line Ernest Hemingway Selected Articles And Dispatches Of Four Decades:

By-Line Ernest Hemingway Ernest Hemingway, 2002-07-25 A personal glimpse into the life of writer journalist war correspondent adventurer Ernest Hemingway ranging from experiences in the Spanish Civil War and World War II to his passion for bullfighting and first safari in Africa Spanning the years 1920 to 1956 this priceless collection of articles and letters shows Hemingway's work as a reporter from correspondent for the Toronto Star to contributor to Esquire Colliers and Look As fledgling reporter war correspondent and seasoned journalist Hemingway provides access to a range of experiences including vivid eyewitness accounts of the Spanish Civil War and World War II By Line Ernest Hemingway offers a glimpse into the world behind the popular fiction of one of America's greatest writers By-line Ernest Hemingway, 1967

By-line Ernest Hemingway, 1968 By-line, 1980 By-line, Ernest Hemingway William White, 1990 **By-line: Ernest Hemingway; Selected Articles and Dispatches of Four Decades** William White (Editor), 1972 **By-line: Ernest Hemingway; Selected Articles and Dispatches Four Decades. Edited by William White** Ernest Hemingway, **By-line: Ernest Hemingway. Selected Articles and Dispatches of Four Decades. Edited by William White, with Commentaries by Philip Young** Ernest Hemingway, William WHITE (Assistant Professor of Journalism, Wayne State University.), Philip Young, 1968 **Different Dispatches** David T. Humphries, 2006-03-09 In Different Dispatches David Humphries brings together in a new way a diverse group of well known American writers of the inter war period including Willa Cather Sherwood Anderson Ernest Hemmingway Zora Neale Hurston James Agee and Robert Penn Warren He demonstrates how these writers engage journalism in creating innovative texts that address mass culture as well as underlying cultural conditions The book will be of interest to readers approaching these well known authors for the first time or for scholars grappling with larger issues of cultural production and reception A Historical Guide to Ernest Hemingway Linda Wagner-Martin, 2000-01-27 The 1999 Hemingway centennial marks the perfect time for the reevaluation of his position as America's premier modernist writer These essays all written specially for this collection plumb unexplored historical details of Hemingway's life to illuminate new and often unexpected dimensions of the force of his literary accomplishment Discussing biographical details of his personal and professional life along with the subtleties of his character the text includes a number of fascinating photos and images **Hemingway, Style, and the Art of Emotion** David Wyatt, 2015-09-15 Shows that Hemingway's work is marked more by vulnerability and deep feeling than by the stoic composure and ironic remove for which it is widely known **By-Line Ernest Hemingway**, 2013 Ernest Hemingway's literary apprenticeship was served in journalism a career that he pursued for over four decades From his early work as a correspondent for the Toronto Star in Europe during the 1920s through his inimitable articles for Esquire and his first hand reports of the Spanish Civil War to the mellow ironic chronicle of his last African adventures few correspondents have produced a more impressive body of work By Line presents a fascinating and revealing selection of Hemingway's journalism

and charts the development of one of the greatest novelists of the twentieth century Reconciling literature and action he fulfilled for all writers the sickroom dream of leaving the desk for the arena and then returning to the desk He wrote good and lived good and both activities were the same Anthony Burgess *Hemingway's Cuba* Dennis L. Noble,2016-11-17 Ernest Hemingway spent about one third of his life in Cuba and grew to love the country and its people This travel narrative follows a journey across the island in search of Hemingway s Cuba and how it influenced some of his writings The author seeks out Hemingway s haunts in Old Havana and his home in Finca Vigia and explores the north coast fishing village of Cojimar his setting for *The Old Man and the Sea* Along the way there are glimpses of Cuban geography and history as well as the lives of modern Cubans *Hell and Good Company* Richard Rhodes,2016-02-23 The Spanish Civil War 1936 1939 inspired and haunted an extraordinary number of exceptional artists and writers including Pablo Picasso Joan Miro Martha Gelhorn Ernest Hemingway George Orwell and John Dos Passos It spurred breakthroughs in military and medical technology New aircraft weapons tactics and strategy all emerged in the intense Spanish conflict Progress also arose from the horror doctors and nurses who volunteered to serve with the Spanish defenders devised major advances in battlefield surgery and frontline blood transfusion Rhodes takes us into the battlefields bomb shelters and hospitals into the studios of artists and into the hearts and minds of a rich cast of characters showing how the ideological aesthetic and technological developments that emerged in Spain changed the world forever **Hemingway's Sun Valley** Phil Huss,2020-07-20 A Hemingway expert shares untold stories of the writer s life in Idaho together with passages from his works to shed light on the ideals he lived by It was a cold windless blue sky day in the fall of 1939 near Silver Creek a blue ribbon trout stream south of Sun Valley Ernest Hemingway flushed three mallards and got each duck with three pulls He spent the morning working on his novel *For Whom the Bell Tolls* Local hunting guide Bud Purdy attested You could have given him a million dollars and he wouldn t have been any happier In Hemingway s Sun Valley Phil Huss delves into previously unpublished stories about Hemingway s adventures in Idaho Each chapter is devoted to a principle of the author s Heroic Code such as Complete Tasks Well Embrace the Present and Avoid Self Pity Combining true stories and literary passages this book reveals how Hemingway s life and work embody this code *Embattled Home Fronts* Karsten H. Piep,2009-01-01 *Embattled Home Fronts* is an inquiry into the highly conflicted US American experience of World War I as it plays itself out in the diverse body of novelistic works to which it has given rise and by which it has been in turn shaped and commemorated As such this book naturally concerns itself with the formal aspects of artistic war representation But rather than merely endeavoring to illustrate how American writers from various backgrounds chose to depict World War I the present work seeks to uncover the particular ideologies and political practices that inform these representational choices To this end *Embattled Home Fronts* examines both canonized and marginalized US American World War I novels within the context of contemporaneous debates over shifting class gender and race relations The book contends that American literary representations of the Great War are shaped less by universal

insights into modern society's self-destructiveness than by concerted efforts to fashion class, gender, and race-specific experiences of warfare in ways that stabilize and heighten political group identities. In moving beyond the customary focus on ironic war representations, *Embattled Home Fronts* illustrates that the representational and ideological battles fought within American World War I literature not only shed light on the emergence of powerful identity-political concepts such as the New Woman and the New Negro but also speak to the reappearance of utopian communitarian and social protest fictions in the early 1930s. This study, *Embattled Home Fronts*, provides a new understanding of the relationship between war literature and home front politics that should be of interest to students and scholars working from a variety of disciplines and perspectives.

Hemingway's Art of Revision John Beall, 2024-05-01 In *Hemingway's Art of Revision*, John Beall analyzes more than a dozen pieces of the author's celebrated short fiction with a focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision. Ranging from two vignettes in the first version of *In Our Time* through early touchstones such as *Indian Camp* and *The Killers* to later masterpieces including *Fathers and Sons*, Beall's study considers the modernist influences, aesthetic choices, and experimental effects that characterized Hemingway's approach to the short story. Revisions to *Big Two-Hearted River*, for example, were not simply cuts and omissions but involved adding paragraphs to slow down the narrative and represent Nick Adams's careful observations of fish as he watched their shadows on the river. For *A Way You'll Never Be*, Hemingway's revisions developed Nick's interior monologues, manic lecture about grasshoppers, and wacky sense of humor to show the character restoring a sense of emotional balance despite his traumatic memories of being wounded. By drawing attention to the meticulous omissions, additions, and replacements that shaped these texts, Beall reveals how extensively and richly Hemingway revised his drafts. *Hemingway's Art of Revision* gives a detailed view of a great prose stylist at work.

Hemingway's Italy Rena Sanderson, 2006-03 In 1918, a one-month stint with the American Red Cross ambulance corps at the Italian front marked the beginning of Ernest Hemingway's fascination with Italy, a place second only to Upper Michigan in stimulating his lifelong passion for geography and local expertise. *Hemingway's Italy* offers a thorough reassessment of Italy's importance in the author's life and work during World War I and the 1920s, when he emerged as a promising young writer, and during his maturity in the late 1940s and early 1950s. This collection of eighteen essays presents a broad view of Hemingway's personal and literary response to Italy. The contributors, some of the most distinguished Hemingway scholars, incorporate new biographical and historical information as well as critical approaches ranging from formalist and structuralist theory to cultural and interdisciplinary explorations. Included are discussions of Italy's psychological functioning in Hemingway's life, the author's correspondence with his father during the writing of *A Farewell to Arms*, his stylistic experimentation and characterization in that novel, his juxtaposition of the themes of love and war, and his take on Fascism in both his fiction and journalistic work. In addition, the essayists explore relevant contexts of period and place such as the rise of Fascism, ethnic

attitudes and the cultural currents between Italy and the United States A landmark study Hemingway s Italy brings long overdue attention to this great writer s international role as cultural ambassador Contributors Rena Sanderson Nancy R Comley Kim Moreland Steven Florczyk Kirk Curnutt Lawrence H Martin John Robert Bittner Jeffrey A Schwarz J Gerald Kennedy H R Stoneback Beverly Taylor Ellen Andrews Knodt Linda Wagner Martin Robert E Fleming Miriam B Mandel Joseph M Flora Margaret O Shaughnessey Stephen L Tanner Vita Fortunati *Chicago Transformed* Joseph Gustaitis,2016-07-01 WINNER Russell P Strange Book of the Year Award from the Illinois State Historical Society 2017 It s been called the war that changed everything and it is difficult to think of a historical event that had a greater impact on the world than the First World War Events during the war profoundly changed our nation and Chicago especially was transformed during this period Between 1913 and 1919 Chicago transitioned from a nineteenth century city to the metropolis it is today Despite the importance of the war years this period has not been documented adequately in histories of the city In Chicago in World War I How the Great War Transformed a Great City Joseph Gustaitis fills this gap in the historical record covering the important wartime events developments movements and people that helped shape Chicago Gustaitis attributes many of Chicago s changes to the labor shortage caused by the war African Americans from the South flocked to Chicago during the Great Migration and Mexican immigration increased as well This influx of new populations along with a wave of anti German hysteria which nearly extinguished German culture in Chicago changed the city s ethnic composition As the ethnic landscape changed so too did the culture Jazz and blues accompanied African Americans to the city and Chicago soon became America s jazz and blues capital Gustaitis also demonstrates how the nation s first sexual revolution occurred not during the 1960s but during the World War I years when the labor shortage opened up unprecedented employment opportunities for women These opportunities gave women assertiveness and freedom that endured beyond the war years In addition the shortage of workers invigorated organized labor and determined attempts were made to organize in Chicago s two leading industrial workplaces the stockyards and the steel mills which helped launch the union movement of the twentieth century Gustaitis explores other topics as well Prohibition which practically defined the city in the 1920s the exploits of Chicago s soldiers both white and black life on the home front the War Exposition in Grant Park and some of the city s contributions to the war effort The book also contains sketches of the wartime activities of prominent Chicagoans including Jane Addams Ernest Hemingway Clarence Darrow Rabbi Emil Hirsch John T McCutcheon Big Bill Thompson and Eunice Tietjens Although its focus is Chicago this book provides insight into change nationwide as many of the effects that the First World War had on the city also affected the United States as a whole Drawing on a variety of sources and written in an accessible style that combines economic cultural and political history Chicago in World War I How the Great War Transformed a Great City portrays Chicago before the war traces the changes initiated during the war years and shows how these changes still endure in the cultural ethnic and political landscape of this great city and the nation **Hemingway and**

Africa Miriam B. Mandel, 2011 New scholarly essays providing a multifaceted approach to the role of Africa in Hemingway's life and work
