Nick Broten

C L R James A Critical Introduction:

C. L. R. James Aldon Lynn Nielsen, 2010-12 This study of C L R James s writings is the first to look at them as literature and not as theory This sustained analysis of his major published works places them in the context of his less well known writings and offers an encompassing critique of one of the African diaspora s most significant thinkers and writers Here the author of *Black Jacobins* *World Revolution A History of Pan African Revolt* *Beyond a Boundary* and the lyric novel *Minty Alley* is seen not only as among the great political philosophers but also as the literary artist that he remained from his first writings in his native Trinidad through his underground years in America to his final essays and speeches in London The writings of James have inspired revolutionaries on three continents They have altered the course of historiography shown that way toward independent black political struggles and established a base for much of today s study of culture This study evaluates them as powerful works of literature **C.L.R. James's Notes on Dialectics** John H. McClendon, 2005-01-01

John H McClendon III s *CLR James s Notes on Dialectics Left Hegelianism or Marxism Leninism* is the first ever book devoted exclusively to James s magnum opus *Notes on Dialectics* *Hegel Marx Lenin* The seed for this study was planted over thirty years ago when James handed the author his personal copy of *Notes* James s contribution to dialectical philosophy and his vast intellectual and scholarly output is rivalled only by the seemingly bottomless depths of McClendon s own analysis and erudition McClendon provides a thorough going critique of James s exploration into the dialectic of Hegel Marx and Lenin while challenging all the seminal texts on James s *Notes* A book of this magnitude is rare This is ever more the truth when it is focused on a giant like James who stands at the nexus of so many disciplines philosophy history sociology Caribbean studies cultural studies African and African American studies *CLR James s Notes on Dialectics Left Hegelianism or Marxism Leninism* is a must read for anyone concerned with how revolutionary theory is a guide to contemporary struggles C.L.R. James Paul Buhle, 2017-10-10 A new edition of C L R James s authorized biography C L R James was a man of prodigious and varied accomplishments He was a protean twentieth century Marxist intellectual widely recognized as a pioneering scholar of slave revolt a leading voice of Pan Africanism a peripatetic revolutionary and scholar active in US and UK radical movements a novelist playwright and critic and one of the premier writers on cricket and sports This intellectual portrait was written by James s longtime interlocutor and comrade Paul Buhle and initially published in 1988 With a new final chapter updated bibliography a new foreword by historian Robin D G Kelley and a new afterword by Paul Buhle and the philosopher Lawrence Ware this long awaited revised edition of a classic biography will be a key resource in the James revival **C. L. R. James and Creolization** Nicole King, 2011-01-03 C L R James 1901 1989 one of the most important intellectuals of the twentieth century expressed his postcolonial and socialist philosophies in fiction speeches essays and book length scholarly discourses However the majority of academic attention given to James keeps the diverse mediums of James s writing separate focuses on his work as a political theorist and subordinates his role as a fiction writer This book however seeks to change such an

approach to studying James Defining creolization as a process by which European African Amerindian Asian and American cultures are amalgamated to form new hybrid identities and cultures Nicole King uses this process as a means to understanding James s work and life She argues that throughout his career whether writing a short story or a political history James articulated his attempt to produce revolutionary radical discourses with a consistent methodology James a Trinidad born scholar who migrated to England and then to the United States and who described himself both as a black radical and a Victorian intellectual serves as a definitive model of creolization King argues that James s writings also fit the model of creolization for each is influenced by diverse types of discourses James rarely wrote from within the confines of a single discipline instead choosing to make the layers of history literature philosophy and political theory coalesce in order to make his point As his West Indian and Western European influences converge in his work and life he creates texts that are difficult to confine to a specific category or discipline No matter which writerly medium he uses James was preoccupied with how to represent the individual personality and at the same time represent the community The C L R James that emerges from King s study is a man made more compelling and more human because of his complicated multilayered and sometimes contradictory allegiances

Race, Culture, and the Intellectuals, 1940-1970 Richard H. King, 2004-08-17 To study this transition from universalism to cultural particularism Richard King focuses on the arguments of major thinkers movements and traditions of thought attempting to construct a map of the ideological positions that were staked out and an intellectual history of this transition

C.L.R. James Farrukh Dhondy, 2001 A long overdue critical appreciation of the West Indian historian and political activist who played a towering role in the cause of Pan Africanism in the twentieth century Born in Trinidad in 1901 Cyril Lionel Robert James was a precocious polymath all his life By the time he was a teenager and already a certified teacher he had embarked on a lifelong advocacy for the Trinidadian oppressed He embraced Marxism while living in England during the 1930s during which time he published among other works The Case for West Indian Self Government and his masterpiece The Black Jacobins James lived in the United States from 1939 until he was expelled during the McCarthy terror for his political activities Thereafter he divided his time between London and Trinidad where he served as Secretary of the West Indies Federal Labor Party and until his death in 1989 wrote works of both fiction and nonfiction that would profoundly influence the Black Power movement in the United States and independence movements in Africa and the West Indies Farrukh Dhondy knew James personally and was given access to his papers The result is a biography that is a revelation of the life and work of this legendary intellect and revolutionary

The Black Jacobins Nick Broten, 2017-07-05 Published in 1938 The Black Jacobins tells the story of the only successful slave revolution in history an uprising inspired by the ideals of the French Revolution The long struggle of African slaves in the French colony of San Domingo led to the establishment of the Republic of Haiti in 1804

The Routledge Companion to Anglophone Caribbean Literature Michael A. Bucknor, Alison Donnell, 2011-06-14 This Companion is divided into six sections that provide an introduction to and

critical history of the field discussions of key texts and a critical debate on major topics such as the nation race gender and migration In the final section contributors examine the material dissemination of Caribbean literature and point towards the new directions that Caribbean literature and criticism are taking Nationalism and Cultural Practice in the Postcolonial World Neil Lazarus,1999-05-20 In this wide ranging study Neil Lazarus explores the subject of cultural practice in the modern world system The book contains individual chapters on a range of topics from modernity globalization and the West and nationalism and decolonization to cricket and popular consciousness in the English speaking Caribbean Lazarus analyses social movements ideas and cultural practices that have migrated from the First world to the Third world over the course of the twentieth century Nationalism and Cultural Practice in the Postcolonial World offers an enormously erudite reading of culture and society in today s world and includes extended discussion of the work of such influential writers critics and activists as Frantz Fanon C L R James Edward Said Gayatri Spivak Samir Amin Raymond Williams Paul Gilroy and Partha Chatterjee This book is a politically focused materialist intervention into postcolonial and cultural studies and constitutes a major reappraisal of the debates on politics and culture in these fields **Anticommunism and the African American Freedom Movement** R. Lieberman,C. Lang,2009-04-27 This collection of essays looks at the impact of anticommunism on black political culture during the early years of the Cold War with an eye toward local and individual stories that offer insight into larger national and international issues *Black Empire* Michelle Ann Stephens,2005-07-18 Expores the writings of Marcus Garvey Claude McKay and C L R James and argues that these black transnationals articulated a novel conception of black identity that reconfigures the meaning of American nationality **Postcolonial Life-Writing** Bart Moore-Gilbert,2009-06-08 Postcolonial Life Writing is the first attempt to offer a sustained critique of this increasingly visible and influential field of cultural production Bart Moore Gilbert considers the relationship between postcolonial life writing and its western analogues identifying the key characteristics that differentiate the genre in the postcolonial context Focusing particularly on writing styles and narrative conceptions of the Self this book uncovers a distinctive parallel tradition of auto biographical writing and analyses its cultural and political significance Original and provocative this book brings together the two distinct fields of Postcolonial Studies and Auto biography Studies in a fruitful and much needed dialogue

Communication Studies: Preparing Students for CAPE 3rd Edition Edlin D. Rochford,2024-09-20 From the cover of Communication Studies Preparing Students for CAPE 3rd Edition to its closing pages there was one purpose in mind and that is meet the needs of the students This book caters for the CAPE examinations from 2025 and beyond Its basis is the new 2025 Syllabus Creating as many questions as possible on each objective and topic found in the syllabus was one way of ensuring that students always had the information Knowing the specific needs of my audience gave me once again the opportunity to keep my styling of putting the information in short and simple point form In this edition of this book I hope to keep its title given by the Tobagonian students The Bible of Communication Studies alive The lagniappe at the back titled

Extra for Caribbean Studies is my gift to my many students who are looking forward to me giving them the much needed tips for the essay component of the exam

The Power of Negativity Raya Dunayevskaya, 2002-01-01 Raya Dunayevskaya is hailed as the founder of Marxist Humanism in the United States In this new collection of her essays co editors Peter Hudis and Kevin B Anderson have crafted a work in which the true power and originality of Dunayevskaya s ideas are displayed This extensive collection of writings on Hegel Marx and dialectics captures Dunayevskaya s central dictum that contrary to the established views of Hegelians and Marxists Hegel was of signal importance to the theory and practice of Marxism The Power of Negativity sheds light not only on Marxist Humanism and the rooting of Dunayevskaya s Marxist Humanist theories in Hegel but also on the life of one of America s most penetrating and provocative critical thinkers

Contact Spaces of American Culture Petra Eckhard, Klaus Rieser-Wohlfarter, Silvia Schultermandl, 2012 What do tent cities basketball courts slave ships and Facebook have in common They are spaces of American culture where an idea of Americanness emerges through a concrete form of contact on the one hand and through its mediated representation on the other This collection of essays examines these contact spaces and their myriad and complex configurations of culture along a spatial axis highlighting the interconnectedness of the local and the global in concrete spaces of American culture both inside and outside the US and from the world wide web One line of inquiry studies metaphors of contact the other one reads media texts as contact spaces and investigates the role of mediation Series American Studies in Austria Vol 12

Digital Diaspora Anna Everett, 2009-02-05 2009 CHOICE Outstanding Academic Title Deftly interweaving history culture and critical theory Anna Everett traces the rise of black participation in cyberspace particularly during the early years of the Internet She challenges the problematic historical view of black people as quintessential information age outsiders or poster children for the digital divide by uncovering their early technolust and repositioning them as eager technology adopters and consumers and thus as coconstituent elements in the information technology revolution She offers several case studies that include lessons learned from early adoption of the Internet by the Association of Nigerians Living Abroad and their Nijanet virtual community the grassroots organizing efforts that led to the phenomenally successful Million Woman March the migration of several historic black presses online and an interventionist critique of race in contemporary video games Ultimately Digital Diaspora shows how African Americans and African diasporic peoples developed the necessary technomastery to ride in the front of the bus on the information superhighway

The Black Jacobins Reader Charles Forsdick, Christian Høgsbjerg, 2017-01-06 Containing a wealth of new scholarship and rare primary documents The Black Jacobins Reader provides a comprehensive analysis of C L R James s classic history of the Haitian Revolution In addition to considering the book s literary qualities and its role in James s emergence as a writer and thinker the contributors discuss its production context and enduring importance in relation to debates about decolonization globalization postcolonialism and the emergence of neocolonial modernity The Reader also includes the reflections of activists and novelists on the book s
