

These hands aren't the hands of a gentleman these hands are calloused and  
old

These hands raised a family these hands built a home

Now these hands raised to praise the Lord

These hands won the heart of my loved one and with hers they were never  
alone

If these hands filled their task then what more could you ask

For these fingers have worked to the bone

[ organ ]

Now don't try to judge me by what you'd like me be

For my life hasn't been a success

Some people have power but still they grieve

While these hands brought me happiness

Now I'm tired and I'm old and I haven't much gold

Maybe things ain't been all that I planned

Lord above hear my plea when it's time to judge me

Take a look at these hard working hands take a look at these hard working  
hands

**Moorman's Book of Poker** Chris Moorman, Byron Jacob, 2014-12-16 Chris Moorman is the most successful online poker tournament player in history Leads the industry with more than 11 million in online cashes Excels on the tournament circuit

with over 4 million in live cashes Placed in the top three in online tournaments 651 times to date Many strong poker players have written books explaining their thought processes However players at the low to mid stakes who want to advance to the highest levels find the leap a daunting one Chris through years of hard work has achieved this advance and now wants to help you do the same Moorman's Book of Poker has a unique approach Chris analyzes 80 tournament hand histories played by co author Byron Jacobs a typical mid stakes player The adoption of a coaching format allows Chris to explain in clear detail exactly what is needed to progress to the next level of expertise The Wave Evelyn Scott,1996 When published in 1929 Evelyn Scott's The Wave was lauded as magnificent monumental and masterly in its experimental almost cinematic narrative technique and its modernist view of war and history For those same reasons less visionary reviewers labeled it a failure Without sentimentality nostalgia or a hint of southern apology Scott takes as her subject the Civil War and shapes it into a kaleidoscopic design She tells the story not of a single family or person but of countless characters northern southern black white male and female from nearly every conceivable background in many different predicaments Like drops of water in a wave they are all caught up in the overwhelming force of war of history The Wave set a standard against which all subsequent war novels have been compared It was partly responsible for inspiring a trend in sprawling books on the Civil War that culminated in Margaret Mitchell's romanticized version in 1936 but it remains unique as a literary mosaic of the human condition a novel of international consequence and boldly innovative method *Seven Sacraments* Anselm Grün,2003-01-08 A sacrament according to St Thomas Aquinas is the sign of a sacred thing in so far as it sanctifies men St Augustine called it a visible form of an invisible grace The sacraments are essential to the life of the Church in most traditions but they have received little attention from theologians of late and there is great misunderstanding about their nature and purpose Fr Anselm Grün the best selling German Benedictine has set about answering this need This new book contains seven chapters one for each sacrament This is not a theological exposition though it is based on the soundest theology Grün is a spiritual writer who has learned much from his study of analytical psychology the writings of C G Jung and uses these insights to bring fresh understanding to the sacraments of the Church His writing is orthodox but because of its psychological sophistication Grün once again manages to touch the hearts and minds of men and women of today The sacraments Grün shows are the free gift of God and are not dependent in any way upon the worthiness or unworthiness of the Christian believer Grün's new book will be welcomed by priests ministers teachers and countless people who are trying to make sense of being Christian in the turbulent modern world The Art of Parenting Dennis Rainey,Barbara Rainey,Dave Boehi,2018-08-21 From Marriage and Family Experts Dennis and Barbara Rainey Dennis and Barbara Rainey have spent decades helping families find biblical help to strengthen and transform family relationships Through radio broadcasts conferences and other events they have been teaching on the foundations necessary for building godly families Now they bring insights and expertise gleaned from those years of ministry as well as from their own personal experience of raising six

children to The Art of Parenting Expanding on parenting themes shared with FamilyLife audiences in person and on the radio Dennis and Barbara offer trusted advice on how to establish Christian values in your home In The Art of Parenting Dennis and Barbara will help you to experience God's truth and apply his Word in your family by focusing your attention on four crucial elements in your children's lives 1 Identity understanding who they are in Christ 2 Character learning to live wisely and honorably 3 Relationships fostering godly connections with others 4 Mission understanding why they are here When you apply biblical truths in these four areas you can feel confident your children will have a foundation they can build upon for the rest of their lives
