Introductory Horticulture Carroll Shry, H. Edward Reiley, 2010-04-07 INTRODUCTORY HORTICULTURE EIGHTH EDITION is a revision of one of the most widely used texts for secondary agriscience programs. With comprehensive content that includes extensive use of full color illustrations, this text addresses a wide scope of horticultural areas. Self evaluations allow students to learn and retain the fundamentals. Inclusion of information on the latest technology and trends keep students on the cutting edge. Students will benefit from the tips and information on how to find and interview for a job in the industry as well as how to successfully operate a horticulture business. Introductory Horticulture while typically taught in the first and second year of a secondary agriscience program is also a great resource to be utilized throughout the entire agriscience curriculum.
