benefits via an extraordinarily effective collection of mores known as the Seven Deadly Sins Since being codified by the Christian church in the fourth century the Seven Deadly Sins pride greed lust envy gluttony wrath and sloth have exerted insidious power Even today in our largely secular patriarchal society they continue to circumscribe women s behavior For example seeing sloth as sinful leads women to deny themselves rest a fear of gluttony drives them to ignore their appetites and an aversion to greed prevents them from negotiating for themselves and contributes to the 55 percent gender wealth gap In On Our Best Behavior Loehnen reveals how we ve been programmed to obey the rules represented by these sins and how doing so qualifies us as good This probing analysis of contemporary culture and thoroughly researched history explains how women have internalized the patriarchy and how they unwittingly reinforce it By sharing her own story and the spiritual wisdom of other traditions Loehnen shows how we can break free and discover the integrity and wholeness we seek

The Hidden Treasures of Married Life Patience Fuzane,2025-07-01 Marriage is a journey that many begin with excitement and high hopes yet few are truly prepared for its depth its challenges and its sacred beauty I wasn t Like many others I stepped

into married life with dreams but not enough knowledge It wasn't until I had walked through seasons of joy misunderstanding growth and reflection that I came to realize just how much I wish I had known much earlier At the age of 15 I took an unusual interest in relationships and courtship While my peers were immersed in sports and social life I enrolled in a courtship correspondence course offered by a Toronto based institute That early decision shaped the way I viewed love and commitment But as noble as that pursuit was life proved to be a much deeper teacher Over the years I've had the privilege of participating in more than 200 weddings as a wedding photographer I've captured moments of laughter tears and unity each wedding offering me a glimpse into the sacred covenant that marriage truly is I witnessed both the sparkle of love in the eyes of the newlywed and the quiet fears that sometimes linger behind the veil These experiences both behind the lens and in my own personal life stirred in me a burden to speak truth to those who are married engaged or simply curious about this lifelong commitment This book is not just a compilation of lessons it is a reflection of my heart I wrote it for those who desire to build something lasting something beautiful Within these pages I share seven powerful truths that I wish someone had clearly laid out for me before I ever said I do Some of these lessons were learned the hard way others were gifts of wisdom passed along by mentors elders and spiritual guides Whether you are single engaged newly married or have been walking this path for decades I invite you to read with an open heart My hope is that you find something here that speaks to your soul something that helps you love better communicate deeper forgive quicker and treasure your marriage for the divine gift that it is Let's uncover these treasures together

The Secrets of Surviving Infidelity Scott Haltzman,2013-06-01 The secret to surviving infidelity can be summed up in one word trust Along with changes in the workplace and the explosive growth of electronic communications there has been a skyrocketing rate of infidelity Today up to forty percent of American marriages endure the pain of a cheating partner The media is filled with stories of married politicians finding their soul mates and titillating instances of unfaithful celebrities But in the homes of ordinary people everywhere infidelity triggers complex emotions and events that affect everyone involved Many marriage and personal therapists have adopted a me first mentality prompting hurt spouses to end their relationships Psychiatrist Scott Haltzman retired Brown University professor recommends exactly the opposite The Secrets of Surviving Infidelity teaches both the victim and the perpetrator of infidelity how to acknowledge their feelings reduce their sense of despair and begin the difficult task of rebuilding a strong relationship People who cheat act much like those who have other addictions and brain scans of love struck individuals show a dramatic increase in the release of dopamine the same brain neurochemical associated with cocaine abuse Haltzman does not excuse infidelity by labeling it a sex addiction it s not orgasm that drives a partner to cheat Instead Haltzman coins the term flame addiction to describe how like a moth drawn to the light people feel compelled to have extramarital intimacy despite all the negative consequences People who have been cheated on feel shame rage and injured self esteem Many of them fear abandonment and find it hard to cope When both partners have made a commitment to move forward together

however Dr Haltzman validates each person s feelings and puts them into perspective offering sound advice on how to recover their equilibrium and reestablish a committed trust filled relationship
