Universal screening of young children for developmental disorders Ina Wallace,2018-02-18 In the past decade American and Canadian pediatric societies have recommended that pediatric care clinicians follow a schedule of routine surveillance and screening for young children to detect conditions such as developmental delay speech and language delays and disorders and autism spectrum disorder The goal of these recommendations is to ensure that children with these developmental issues receive appropriate referrals for evaluation and intervention However in 2015 and 2016 the US Preventive Services Task Force USPSTF and the Canadian

Task Force on Preventive Health Care issued recommendations that did not support universal screening for these conditions. This occasional paper is designed to help make sense of the discrepancy between Task Force recommendations and those of the pediatric community in light of research and practice. To clarify the issues, this paper reviews the distinction between screening and surveillance, the benefits of screening and early identification, how the USPSTF makes its recommendations, and what the implications of not supporting screening are for research, clinical practice, and families.

Broken Tools in God's Hands Keith Ellerbrock, 2010-10. I may be forgiven, maybe, but after what I've done, my life is basically over. I'm damaged goods now. Forgiven? Sure. Able to be used? Maybe for little stuff, maybe, but never again for anything important. Ever thought things like that? Join the club. They're lies, though. Lies we often speak to ourselves. *Broken Tools In God's Hands* was written so you can know God's rescuing grace more deeply and be set free to serve Him with new hope and joy in your heart. Do you think God can't use you when you're broken? Then ponder this: The truth is, God can only use you as He desires when you're broken when you plainly see your sinfulness, your helplessness, your need for the Savior. That's when Jesus can pour out His blood, bought declaration of not guilty into your life, declare you to be His perfect tool, and use you for mighty things. Author Keith Ellerbrock invites you to take a close look at the ugly underbelly of some of the biblical heroes of faith so you can see that they were just as messed up by nature as you are, then take a closer look at God's amazing grace toward them to see that since the blood of Jesus was able to forgive and cleanse these flawed and tainted saints, it's more than able to forgive and cleanse you. Just as God gave them second, third, and however many chances, so He gives those clean do-overs to you. And He will use you. You have His Word on it. St. Louis native Keith Ellerbrock has been a pastor in the Lutheran Church Missouri Synod for 25 years. He currently serves Trinity Lutheran Church in Bridgeton, Missouri. He's the undeservedly blessed husband of Dawn and father of Erin, Adam, and Daniel.
