## **Css Subjects For Foreign Services Of Pakistan Competitive Exams:**

*Pakistan's Security and the India-US Strategic Partnership* Syed Shahid Hussain Bukhari, 2020-09-15 This book explores the relationship between the developing India US strategic Partnership and Pakistan's security It assesses India and the US's areas of cooperation to show that the partnership will bring drastic changes for India's military capabilities and modernization of its forces The book shows that in addition to enhancing India's domestic nuclear stockpiles through the nuclear cooperation agreement collaboration in high tech areas such as space and innovative technologies will enable India to acquire sophisticated delivery systems as well as surveillance capacity The author argues that these advancements will enable India to destabilize the strategic balance in the region The book also briefly explores the nuclear doctrines of India and Pakistan that provide an insight into the role of nuclear weapons in maintaining deterrence in the region To understand the power dynamics caused by the strategic partnership and their impact on strategic stability in South Asia the author utilizes the Balance of Power and Power Transition theories A timely analysis of the India US Strategic Partnership with a Pakistan angle the book will be of interest to academics working in the fields of Asian security Asian politics especially South Asia strategic studies international relations political science nuclear non proliferation conflict studies arms control and security studies

**Executive Development in Pakistan** Inayat Malik, 1967

**Public Administration in South Asia** Meghna Sabharwal, Evan M. Berman, 2016-04-19 A state of the art one stop resource Public Administration in South Asia India Bangladesh and Pakistan examines public administration issues and advances in the Indian subcontinent The book fulfills a critical need These nations have the largest public administration programs in South Asia yet existing knowledge on them is fragmented at best Bringing together leading scholars from these countries this book provides both an insider perspective and a scholarly look at the challenges and accomplishments in the region Focusing on the machinery of government the book explores questions such as What is the history of public administration development How are major decisions made in the agencies Why are anti corruption efforts so much a challenge What is the significance of intergovernmental relations What is the success of administrative reform What are examples of successful social development programs How successful is the government and what are its challenges Why is civil service reform difficult to achieve How is freedom of information being used as a means to combat corruption and invoke grassroots activism What can be learned from the successes and failures While public administration practice and education have become considerably professionalized in the last decade a sufficiently in depth and well rounded reference on public administration in these countries is sorely lacking Most available books tackle only aspects of public administration such as administrative reforms civil service economic developments or public policy and are country specific None provide the in depth analysis of the sphere of public action in South Asia found in this book It supplies an understanding of how public administration can be either the source of or solution to so many of the problems and achievements in the Indian subcontinent
