Academic Assessment and Intervention Steven Little, Angeleque Akin-Little, 2014-01-21 Serving students with academic deficiencies necessitates communication and collaboration among professionals from several disciplines Academic Assessment and Intervention brings together divergent approaches in order to demonstrate that scientific evidence rather than biases or previous practice must determine assessment practices that are selected and used for particular purposes Similar to a handbook in its comprehensive topical coverage this edited collection provides a contextual foundation for academic assessment and intervention describes both norm referenced and curriculum based assessment measurement in detail considers the implications of both of these assessments on ethnically diverse populations provides a clear link between assessment evidence based interventions and the RTI model and considers other important topics related to this area such as teacher behavior Intended primarily for graduate level courses in education school psychology or child clinical psychology it will also be of interest to practicing professionals in these fields

The Leading Edge of Early Childhood Education

Nonie K. Lesaux, Stephanie M. Jones, 2021-02-23 The Leading Edge of Early Childhood Education aims to support the effort to simultaneously scale up and improve the quality of early childhood education by bringing together relevant insights from emerging research to provide guidance for this critical fledgling field It reflects the growing recognition that early childhood experiences have a powerful effect on children's later academic achievement and long term life outcomes Editors Nonie K Lesaux and Stephanie M Jones bring together an impressive array of scholarly contributors Topics include creating learning environments that support children's cognitive and emotional development identifying and addressing early risk factors using data to guide educators practice and capitalizing on the use of technology Recent years have seen a surge of local state and national initiatives aimed at expanding and improving early childhood initiatives particularly regarding access to preK programs The Leading Edge of Early Childhood Education promises to be a valuable resource for those charged with enacting the next level of work in this critical area

Cultural Diversity Ruben J. Echemendia, 2015-10-23 Cultural Diversity studies the relationship between culture and neuropsychology Its goal is to examine salient aspects of this relationship and assist in bringing the issue of culture and cultural diversity to the forefront of neuropsychological discussions The articles help further the understanding that ethnic and cultural variables are important not only in research design but also in clinical practice In addition they urge clinicians to make cultural variables an integral component of any neuropsychological assessment and examine clinical data in the context of the patient's ethnic and cultural background
