**Dying to Control** Leon R. Hayduchok, 2012-08-02 The story of Adam and Eve one of the oldest and most widely cherished stories in human history has been misused and abused in the battleground of Americas culture war Dating back to the Scopes Trial of 1925 evolutionists and creationists have been tearing this story apart in their fight over the origin of man losing sight of one significant detail the story of Adam and Eve was not written as a scientific treatise but as an account of human nature and our relationship with God and one another Dying to Control offers a fresh and provocative look at the garden of Eden drama revealing how the story of Adam and Eve is our story By weaving autobiographical vignettes with cultural observations and biblical exposition this penetrating work exposes our obsession with control and the extreme lengths we go to preserve and promote self Yet despite our willingness to kill ourselves and one another in an attempt to control our world and eternal destinies there is hope extraordinary hope This overdue commentary on American culture offers a compelling perspective on how to experience the fullness of life in a world dying to control

**Pannenberg on Evil, Love and God** Mark Hocknull, 2016-05-13 Pannenberg on Evil Love and God examines a much neglected aspect of the theological thought of one of the most original contemporary German theologians Wolfhart Pannenberg his theological and philosophical understanding of evil and its relationship to the love of God The book seeks to correct a widely held misconception that in his theology Pannenberg has neglected the darker side of the world concentrating instead on an optimistic picture of the future This book argues that questions of evil hold a central place throughout Pannenberg s writing and seeks to draw out the implications of his wrestling with these issues The Introduction sets the scene by considering the nature of the question of evil and argues that a theological response must be made as part of a global view of the world and not in isolation from other themes The succeeding chapters develop this theme through a reading of Pannenberg s theology

**Have to Do with Me?** Fred R. Anderson, 2022-12-28 This book looks at atonement biblically theologically historically and sacramentally Biblically it is tied to Scripture's narrative of humanity's failure to fulfill God's intention and God's subsequent covenant with Abraham fulfilled in Jesus Theologically in Jesus the eternal Logos became incarnate to fulfill God's intention to deal with sin and begin again with a new creation Jesus' death was not a payment for anything to anyone It was the Triune God's non-violent way of absorbing defeating and overcoming sin and death for the world Two chapters focus on sacrifice how it functioned in Israel's life with God how Paul and Hebrews use it and how it thereafter took on pagan connotations Historically three chapters review the development of atonement theories through Gustav Aul's Christus Victor After reviewing atonement theologies of the last seventy-five years especially feminist critiques of them this retrieves Irenaeus and Athanasius offering an understanding of atonement influenced by Baillie Barth Moltmann Torrance Von Balthasar Tanner and Weaver Sacramentally it describes how atonement is realized through the word baptism Eucharist and prayer Sacramental atonement nurtures those in Christ as members of God's new creation through Jesus' continuing high priestly ministry of atonement until his final return

**Sharing in God's Presence** Roy D. Kindelberger, 2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God's nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence*

**The Execution of God** Jeff Hood, 2017-09-12 We kill We kill each other We kill God The altar of the death chamber is open the hour of execution upon us Is there salvation amidst the horror of the death penalty We must save to get saved We must save our God How will we encounter the execution of God Will we save or will we kill In this stunning fusion of biblical interpretation and memoir radical theologian of mercy Jeff Hood takes us on a unique spiritual journey into the heart of the death penalty The Execution of God is a powerful invitation to encounter God in the last place we expect divinity to dwell on the gurney The Execution of God will invite you to re-examine your belief in the ultimate punishment and consider How the death penalty kills our relationship with God The idea that the divine image of God dwells in those on death row How we cannot be both people of love and people of murder How our cultural obsession with violence harms our spiritual life How to stop the killing and join the work of abolition and restoration

*Trinity* Richard D Balge, 2002-07-01 What do Christians mean when we say we worship a triune God Two of the most common and oldest of the

Christian confessions of faith are the Nicene and Apostles Creeds In those statements of faith Christians profess belief in the triune God God the Father God the Son and God the Holy Spirit Are these three persons the same God Is the Trinity just one of the many ways to describe God What does triune even mean Trinity uses the Bible itself to show the truth about the Trinity It answers the questions Can God be known and How can God be known and comforts you with the knowledge that what God says about himself in the Bible is what you absolutely need to know in order to be saved Through this book you will grow in appreciation for what God says about himself Father Son and Holy Spirit in his Word **The Jesus Syndrome** Joseph John Francis, 2009-07 The Spirit at the Cross Carolyn E. L. Tan, 2019 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God's reconciliation with humanity Does the Holy Spirit's work pause between Gethsemane and the resurrection What does the phrase through the eternal Spirit in Hebrews 9:14 mean In this book Tan examines the perspectives of John Vernon Taylor Jurgen Moltmann and John D Zizioulas from whom three views of the Spirit's role at the cross are discerned the Spirit as the bond of love between the Father and the Son the Spirit as the Son's coworker enabler and power and the Spirit as the unifier who unites humanity to the Son In addition Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son and specifically the one who carries out God's judgment in Jesus Christ the Elect Integrating these theological perspectives with an in depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14 Tan offers another way of understanding the role of the Spirit at the cross Christ as the Father's pneumatic crucible in whom sinful humanity is judged destroyed and reborn through the power of the Holy Spirit Sermon Messages From God's Man, Finis Steelman , **The Christian Hymnal. Revised, a Collection of Hymns and Tunes for Congregational and Social Worship** R. M. Bishop, 2024-05-30 Reprint of the original first published in 1882 **Dying, Death, Burial and Commemoration in Reformation Europe** Elizabeth C. Tingle, Jonathan Willis, 2016-03-09 In recent years the rituals and beliefs associated with the end of life and the commemoration of the dead have increasingly been identified as of critical importance in understanding the social and cultural impact of the Reformation The associated processes of dying death and burial inevitably generated heightened emotion and a strong concern for religious propriety the ways in which funerary customs were accepted rejected modified and contested can therefore grant us a powerful insight into the religious and social mindset of individuals communities Churches and even nation states in the post reformation period This collection provides an historiographical overview of recent work on dying death and burial in Reformation and Counter Reformation Europe and draws together ten essays from historians literary scholars musicologists and others working at the cutting edge of research in this area As well as an interdisciplinary perspective it also offers a broad geographical and confessional context ranging across Catholic and Protestant Europe from Scotland England and the Holy Roman Empire to France Spain and Ireland The essays update and augment the body of literature on dying death and disposal with recent case studies pointing to future directions in the field

The volume is organised so that its contents move dynamically across the rites of passage from dying to death burial and the afterlife The importance of spiritual care and preparation of the dying is one theme that emerges from this work extending our knowledge of Catholic ars moriendi into Protestant Britain Mourning and commemoration the fate of the soul and its post mortem management the political uses of the dead and their resting places emerge as further prominent themes in this new research Providing contrasts and comparisons across different European regions and across Catholic and Protestant regions the collection contributes to and extends the existing literature on this important historiographical theme

Purification of Memory Ambrose Mong,2015-06-25 Although its various bodies boast a combined total of at least 300 million members the Eastern Orthodox Church is widely perceived among members of other denominations to be an exotic branch of the faith often shrouded in mysticism and misunderstanding that has been exacerbated by the longstanding Eastern Western split In Purification of Memory Ambrose Mong casts light on the true nature of Orthodox theology illuminating the thinking of eight distinguished modern Orthodox theologians who have made important contributions on topics as ecclesiology ecumenism Christology and Mariology Approaching the work of John Meyendorff Nicholas Afanasiev John Zizioulas Georges Florovsky Sergius Bulgakov Vladimir Lossky Nicolas Berdyaev and Jaroslav Pelikan from an ecumenical standpoint Mong deftly draws comparisons with the theology of their Roman Catholic counterparts to reveal points on which the two traditions have much more in common than either side will always admit The author interweaves these comparisons with a fascinating exposition of the history of the schism between the Eastern and Western Churches to demonstrate decisively that in spite of the bitter mistrust dividing them they share a common heritage which could and should serve as a basis for reunification Before old wounds can mend however a healing process of forgetting characterized by Pope John Paul II as a purification of memory must take place to clear the path towards a long awaited return to unity
