

A detailed illustration of a Mars rover, similar to the Curiosity rover, on a reddish-brown, rocky planet surface. The rover is positioned on the left side of the frame, with its large, treaded wheels and complex mechanical structure clearly visible. Its robotic arm is extended towards the right, holding a camera or sensor. The background shows rolling hills and a hazy, orange-tinted sky, suggesting a Martian environment. The overall scene is rendered in a realistic, high-tech style.
