Megachurches in Africa Babatunde A. Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa's megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality

Dynamics of Bible Holiness George Mfula, 2022-03-14 I have had many people in my life ask me lots of questions about the highway to greatness Well as much as we can celebrate the gifts and anointing upon our lives still one thing stands tall above everything Holiness stands tall above all things Without holiness no

one can see God no matter how anointed or educated you are In this book Pastor Mfula communicates deep things concerning holiness Holiness is not an option but a must Salvation gives you a passport to go to Heaven but it is holiness that gives you the passport to see God That is why Jesus mentioned in Scripture that those who will endure up to the end shall be saved Matthew 24 13 I pray God will open your spiritual eyes to spiritual truth in Christ Jesus Get this book You will learn how to maintain God s presence in your life It will help you understand how to walk in the fear of God In the Kingdom of God you don t derive your greatness from the gifts you have but from the fear that you have developed for God May God bless you

Dynamics of Bible Holiness Mfula George (author),1901 Acting the Miracle John Piper,David Mathis,2013 We all struggle with sin whether its pride lust anger or something else In this gospel centered resource five church leaders offer practical advice for acting the miracle of sanctification God has already worked within us *Hidden Holiness* David M. Crump,2025-05-20 **Possessed by God** David Peterson,1995 David Peterson challenges the common assumption that the New Testament views sanctification as primarily a process He argues that its emphasis falls upon sanctification as a definitive event God s way of taking possession of us in Christ setting us apart to belong to him and to fulfill his purpose for us Simply to identify sanctification with growth and holiness he contends obscures the emphasis and balance of New Testament teaching and creates unrealistic expectations hroughout this study Peterson builds his case on the careful exegesis of relevant passages with a keen eye for the pastoral implications of his findings Embraced by Holiness Kathy Howard,2014-05-14 You long for a deeper walk with God but you seem to be missing out on that daily intimacy that you desire What is standing in your way Holiness is a concept that many believers do not fully grasp and therefore cannot live out daily Yet God makes it very clear and simple So if the lack of holiness is blocking your intimate relationship with God begin now to understand holiness hear God s call to holiness and practically live out a holy life *Embraced by Holiness* is a focused six week study that allows you to interact with specific Scripture passages Be encouraged to take a guided deep and consistent look at Scripture for biblical principles dealing with holiness And after five weekly lessons you will have the life changing opportunity to experience practically and personally these principles at work in your everyday life **The Ground of Holy Life** David D. Cho,2021-08-12 The Reformation put the grace of God in the right place in the salvation of man Luther s proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church To some people just the profession of faith without an accompanying godly life was not good enough for salvation It seemed that salvation by grace of God in the doctrine of justification made man s salvation too easy thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life The spiritual movements such as pietism and perfectionism and new

theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man. However, without the concept of definitive sanctification, they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism. **The Quest for Holiness** David Clifton

Long, 2017. What does it really mean to be a follower of Jesus? How is the ungodly nature within us to be transformed into the image of God? These are among the questions that have stirred serious believers since the early days of the church, leading to the template of seven sins and their counterparts, seven virtues. How is pride seen in our life, and how is this replaced by the virtue of humility? How does the follower of Jesus grow from anger to patience, from envy to brotherly love? These couplets contrast the nature of a life lived for the glory of self versus a life lived for the glory of God. The foundations of spiritual formation are examined in the first book, *The Quest for Holiness: From Shallow Belief to Mature Believer*, anchoring God's plan for our transformation in his revelation that we are created in his image. Theology is meant to not only be understood but also to be lived out. Thus, this second book delves into the application of spiritual truths into the daily life of a disciple of Jesus, with the purpose that as followers of Jesus, we will grow into greater love of God and love of our neighbor.
