Getting The Right Things Done Getting The Right Things Done:

Getting The Right Things Done Samir Kahlot,2021-02-15 Introducing the only book you need for a more productive and fulfilled life Samir Kahlot has read a lot of books on productivity Although they contained some helpful nuggets he found himself wondering why authors spent 300 pages writing something that could have easily been condensed into a book this size Shouldn't you be spending more time putting a system in place than reading about someone else's experience with it That's why this book is formatted the way it is In *Getting the Right Things Done* author Samir Kahlot shares the Right System and helps you understand what's Right for you The goal of the Right System is to free yourself from doing all those things that slow you down and don't add anything to your personal or professional happiness or goals This system is designed for people who Wear a lot of hats personally and professionally Have a hard time finishing a project once it's started Find it challenging to figure out which task to start first Are sleep deprived because they feel like they need to always be working Feel overwhelmed and stressed because there are never enough hours in the day Want to spend more time doing things that matter and less time on the things that don't Do any of these sound familiar If so you're in the right place *Getting the Right Things Done* isn't your typical productivity book It's a way of life that values what's truly important to you while also providing endless clarity to your busy mind Read it today get the right things done tomorrow *The Complete Idiot's Guide to Getting Things Done* Jeffrey P. Davidson,CMC, Jeff, MBA Davidson,2005 Companies today are under increasing pressure to deliver shareholder value by squeezing as much as possible from their limited available resources As one of these resources workers are being asked to do more for less and all within the same work week leaving many of them looking for new ways to become more productive with their time *The Complete Idiot's Guide to Getting Things Done* answers the call by giving readers the tools they need to increase their efficiency and effectiveness in the workplace From putting out fires to attacking long term goals and everything in between readers are exposed to the fundamental principles of personal productivity

a near death experience sends Jack Valentine on a paradigm shifting quest to understand the true meaning of life and find his most authentic self Jack Valentine seemed to have it all He made good money as an ad man and looked good doing it He had a hot apartment cool friends even a slick car at least until the hectic Monday morning a truck smashed into it sending the critically injured Jack to the hospital Everything happens for a reason though and Jack's reason reveals itself in the silver haired cancer patient who becomes his roommate one evening The elderly man Cal shares his life story one not dissimilar to Jack's of material wealth masking a gaping hole within Cal ultimately found salvation through philosophy the love of wisdom and now offers to help Jack by prepping the younger man for the Final Questions we all must face Have I lived wisely Have I loved well Have I served greatly Presenting Jack with three plane tickets each accompanied by a map marked with a red X Cal sends Jack to meet with three great teachers each of whom will help Jack answer one of the Final Questions just as they once helped Cal First in Rome Jack will meet the Saint Then a haunted beach in Hawaii introduces him to the Surfer And finally the grandeur of New York City sets the stage for his last encounter with the CEO Along the way Jack will learn to do his interior work discover that our negative traits offer gateways to higher versions of ourselves and understand that figuring things out in your head can distract you from the powerful whispers of your heart Join Jack on his journey and step into the you that you were always meant to be

Leadership Dr Larry F Ross, Sr, Larry F. Ross Sr., 2012-07 Leadership plays a major role in everything that we do in life Though effective leadership is a personal role that requires individual thinking and attainment one must make sure that it is focused on the overall success of the organization However there are other roles that are directly tied up in what we call leadership and some of the roles include self leading managing change empowering people leading by example delegating authority facilitating cooperation and building and leading a team Leadership is not just power but for the most part it is about relationships Leadership is also about one's power to reward and punish in a nondiscriminatory manner To have a certain style or persona that ensures people will support your implementation of goals for the success of the organization However at the end of the day you will never get there without first leading oneself to do the right thing in all of your endeavors One learns leadership by being a leader This cannot happen unless you have the proper skills visionary trustworthy inspirational etc because leaders must balance many roles to be successful However sometimes you need help to guide and remind you how to take a course of action This book serves as a sounding board to help guide you with its recording of best practices Climb the ladder of leadership hired trainee mentor team lead supervisor manager and executive and let people know that you can successfully lead with every step you take
