## Ghost Of The Southern Cross:

*Ghost Stories by British and American Women* Lynette Carpenter, Wendy K. Kolmar, 2015-01-28 Originally published in 1998 and covering a tradition ignored by most critics this bibliography assembles and documents a large body of supernatural fiction written by women in English from the end of the 18th century to the present These stories the work of women whose literary reputations personal histories and bodies of work vary widely challenge the narrow way in which supernatural literature has traditionally been regarded they indicate a much richer and more complex set of literary responses to the supernatural than has been hitherto acknowledged The writers included range from Ann Radcliffe and the Gothic novelists to Louisa May Alcott Charlotte Gilman and Edith Wharton to such modern writers as Elizabeth Bowen Jean Rhys Muriel Spark and A S Byatt The volume will be of interest to literary and cultural historians and of particular importance to women s studies scholars

*The Mythical West* Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlán the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs

Underground Andrew McGahan,2011-03-04 Underground is the novel that at least half the country has been waiting for Think ahead five or so years from now to an Australia transformed by the never ending war on terror Canberra has been wiped out in a nuclear attack There is a permanent state of emergency Security checkpoints citizenship tests identity cards and detention without trial have all become the norm Suspect minorities have been locked away into ghettos And worse no one wants to play cricket with us anymore Enter Leo James burnt out property developer and black sheep twin brother of the all powerful Bernard James Prime Minister of Australia In an event all too typical of the times Leo finds himself abducted by terrorists But this won t be your average kidnapping Instead vast and secret forces are at work here and Leo and his captors are about to embark on a journey into the underworld of a nation gone mad Like some bastard child of Dr Strangelove and George Orwell Underground is both an adrenalin pumped thriller and a gleefully barbed satire that takes a chainsaw to political neo correctness and Australia s new ultra nationalism Blistering and blackly comic this book goes straight to the heart of the country s future and it isn t pretty

*The Past as Present in the Drama of August Wilson* Harry Justin Elam,2009-05-21 Pulitzer prizewinning playwright August Wilson author of Fences Ma Rainey s Black Bottom and The Piano Lesson among other dramatic works is one of the most well respected American playwrights on the contemporary stage The founder of the Black Horizon Theater Company his self defined dramatic project is to review twentieth century African American history by creating a play for each decade Theater scholar and critic Harry J

Elam examines Wilson's published plays within the context of contemporary African American literature and in relation to concepts of memory and history, culture and resistance, race and representation. Elam finds that each of Wilson's plays recaptures narratives lost, ignored or avoided to create a new experience of the past that questions the historical categories of race and the meanings of blackness.

Harry J. Elam Jr is Professor of Drama at Stanford University and author of *Taking It to the Streets: The Social Protest Theater of Luis Valdez and Amiri Baraka*. The University of Michigan Press.

**Tales Of Men And Ghosts** Edith Wharton, 2015-10-15. He began by a quick survey of his early years, the years of drudgery and privation. His father, a charming man who could never say no, had so signally failed to say it on certain essential occasions that when he died he left an illegitimate family and a mortgaged estate. His lawful kin found themselves hanging over a gulf of debt and young Granice, to support his mother and sister, had to leave Harvard and bury himself at eighteen in a broker's office. He loathed his work and he was always poor, always worried and in ill health. A few years later his mother died, but his sister, an ineffectual neurasthenic, remained on his hands. His own health gave out and he had to go away for six months and work harder than ever when he came back. He had no knack for business, no head for figures, no dimmest insight into the mysteries of commerce. He wanted to travel and write; those were his inmost longings. And

as the years dragged on and he neared middle age without making any more money or acquiring any firmer health a sick despair possessed him He tried writing but he always came home from the office so tired that his brain could not work For half the year he did not reach his dim up town flat till after dark and could only brush up for dinner and afterward lie on the lounge with his pipe while his sister droned through the evening paper Sometimes he spent an evening at the theatre or he dined out or more rarely strayed off with an acquaintance or two in quest of what is known as pleasure And in summer when he and Kate went to the sea side for a month he dozed through the days in utter weariness Once he fell in love with a charming girl but what had he to offer her in God s name She seemed to like him and in common decency he had to drop out of the running Apparently no one replaced him for she never married but grew stoutish grayish philanthropic yet how sweet she had been when he had first kissed her One more wasted life he reflected      **Scenic Driving Montana** S.
