Ghost Modern Fantasy Arnold Bennett:

The GHOST by ARNOLD BENNETT, New Edition Enoch Arnold Bennett, 2016-06-12 I am eight years older now It had never occurred to me that I am advancing in life and experience until in setting myself to recall the various details of the affair I suddenly remembered my timid confusion before the haughty mien of the clerk at Keith Prowse s I had asked him Have you any amphitheatre seats for the Opera to night He did not reply He merely put his lips together and waved his hand slowly from side to side Not perceiving in my simplicity that he was thus expressing a sublime pity for the ignorance which my demand implied I innocently proceeded Nor balcony This time he condescended to speak Noth ing sir Then I understood that what he meant was Poor fool why don t you ask for the moon I blushed Yes I blushed before the clerk at Keith Prowse s and turned to leave the shop I suppose he thought that as a Christian it was his duty to enlighten my pitiable darkness It s the first Rosa night to night he said with august affability I had a couple of stalls this morning but I ve just sold them over the telephone for six pound ten He smiled His smile crushed me I know better now I know that clerks in box offices with their correct neckties and their air of continually doing wonders over the telephone are not after all the grand masters of the operatic world I know that that manner of theirs is merely a part of their attire like their cravats that they are not really responsible for the popularity of great sopranos and that they probably go home at nights to Fulham by the white omnibus or to Hammersmith by the red one and not in broughams I see I observed carrying my crushed remains out into the street Impossible to conceal the fact that I had recently arrived from Edinburgh as raw as a ploughboy If you had seen me standing irresolute on the pavement tapping my stick of Irish bog oak idly against the curbstone you would have seen a slim youth rather nattily dressed I think with a shadow of brown on his upper lip and a curl escaping from under his hat and the hat just a little towards the back of his head and a pretty good chin and the pride of life in his ingenuous eye Quite unaware that he was immature Quite unaware that the supple curves of his limbs had an almost feminine grace that made older fellows feel paternal Quite unaware that he had everything to learn and that all his troubles lay before him Actually fancying himself a man because he had just taken his medical degree The June sun shone gently radiant in a blue sky and above the roofs milky bosomed clouds were floating in a light wind The town was bright fresh alert as London can be during the season and the joyousness of the busy streets echoed the joyousness of my heart for I had already with the elasticity of my years recovered from the reverse inflicted on me by Keith Prowse s clerk On the opposite side of the street were the rich premises of a well known theatrical club whose weekly entertainments had recently acquired fame I was I recollect proud of knowing the identity of the building it was one of the few things I did know in London and I was observing with interest the wondrous livery of the two menials motionless behind the glass of its portals when a tandem equipage drew up in front of the pile and the menials darted out in their white gloves to prove that they were alive and to justify their existence It was an amazingly complete turnout and it well deserved all the attention it attracted which was considerable The horses were capricious highly

polished grays perhaps a trifle undersized but with such an action as is not to be bought for less than twenty five guineas a hoof the harness was silver mounted the dog cart itself a creation of beauty and nice poise the groom a pink and priceless perfection

Enoch Arnold Bennett was born in Hanley Stoke on Trent on the 27th May 1867 His infancy was spent in genteel poverty which gave way to prosperity as his father succeeded as a solicitor From this provincial background he became a novelist His enduring fame is as a Chronicler of the Potteries towns the setting and inspiration of some of his most famous and enduring literary work and the place where he grew up Bennett did not pursue a career as a writer until after leaving his father's practice and moving to London in 1889 when he won a literary competition conducted by the magazine Tit Bits Encouraged to take up journalism full time he became assistant editor of Woman in 1894 Just over four years later his first novel A Man from the North was published to critical acclaim This was followed in 1902 by Anna of the Five Towns the first of a succession of stories which detailed life in the Potteries and displayed his unique vision of life in its towns Between the end of 1903 and 1911 Bennett lived mainly in Paris In Paris he met Marguerite Souli whom he married in 1907 During his eight years in Paris he continued to enjoy critical success with the publication of many novels including The Old Wives Tale 1908 After a visit to America in 1911 where he was acclaimed as no other visiting writer had been since Dickens he returned to England where the Old Wives Tale was reappraised and hailed to be a masterpiece In 1921 he separated from Marguerite The following year he fell in love with the actress Dorothy Cheston They lived together until his death She changed her last name to Bennett although they were never legally married They had one child Virginia born in 1926 In 1931 he became ill during a trip to France returned to London and died of typhoid fever His ashes are buried in Burslem cemetery Their daughter Virginia Eldin who eventually went to live in France became President of the Arnold Bennett Society Although Arnold Bennett never returned to the Potteries to live he never forgot the debt which he owed to his birthplace for giving him a unique setting for so many of his novels a setting which he enhanced with his penetrating description of people and places Bennett made up names for his Five Towns but these names left nobody in doubt about the true identity of the towns His Turnhill is really Tunstall Bursley is Burslem Hanbridge is Hanley Knype is Stoke and Longshaw is Longton It is perhaps unfortunate that Bennett felt that The Five Towns sounded better than The Six Towns and thus relegated the sixth town of the Potteries the town of Fenton almost to oblivion As a chronicler of The Potteries he assured a permanent place in English literature for the district His penultimate novel The Imperial Palace was set in the Savoy Hotel To mark the book's

importance as a great literary work the hotel created the Omelette Arnold Bennett which has remained on its menu ever since
