Ghost Towns of Kansas Daniel Fitzgerald, 1988 This illustrated guide to Kansas ghost towns will delight travelers and armchair tourists alike Organized by region it tells the story of 100 towns that have either disappeared without a trace or are only a shadowy remnant of what they once were

Kansas Ghost Town Hunter's Guide Matthew Leverich, 2018-03-21 Matthew Leverich the Kansas Ghost Town Hunter is a 26 year old graduate of Kansas State University He has visited more than 700 towns in Kansas as of 2018 This first volume of his exploring guide covers every ghost town or declining community with visible remains in 11 counties in south central Kansas including the Wichita metropolitan area

Driving across Kansas Ted T. Cable, Wayne Maley, 2017-04-21 In his introduction to Dan Dancer's *The Four Seasons of Kansas* bestselling author William Least Heat Moon reflects upon the Great Kansas Passage of those who race their cars westward across Interstate 70 without trying to understand the truth of the place Ted Cable and Wayne Maley come to the rescue of those travelers with a new guide that will expand and enrich their understanding of a state whose history in Heat Moon's words is a tumbling of guns torches hatchets and knives Guided by Cable and Maley the historical landscapes of I 70 come back to life recalling landmarks and legacies relating to pioneer movements and Indian dispossession army outposts and great bison hunts cowboys and cattle trails the struggles over slavery and women's rights and the emergence of major wheat beef oil and water industries Their guide parcels out information mile marker by mile marker in boldface in a way that's equally accessible to westbound and eastbound users alike In this second edition the authors have updated the information throughout including new sites and new stories *Driving across Kansas* 2nd edition will reward the observant traveler with a treasure trove of details sure to increase his or her appreciation for the great Sunflower State

Secret Kansas: A Guide to the Weird, Wonderful, and Obscure Roxie Yonkey, 2023-04-01 Among Kansas's many wheat fields lie secrets and hidden stories of heroes and villains that even a fiction author could never devise It wasn't just Dorothy Gale of the Wizard of Oz who roamed The Wheat State *Secret Kansas A Guide to the Weird Wonderful and Obscure* will introduce you to a true cast of characters along with the little known history of their inventions deeds and fame Learn about the first indigenous woman to argue before the Supreme Court to save her ancestors graves from greedy developers Discover how Frank Bellamy from Cherryvale wrote the Pledge of Allegiance only to lose his claim to its authorship Inventions abound in Kansas history such as Mentholatum which had a small role in ending World War II From Capt Emil Kapaun who is headed for sainthood to the fraudulent Goat Gland Doctor whose tonics started many entertainers careers there's no shortage of fascinating anecdotes to choose from Add to that the countless examples of courageous captains game changing women along with a few ne'er-do-wells whose biographies are chronicled here Longtime

Kansan Roxie Yonkey will unearth the hidden roads and secret passages to unearth the state's buried treasures. Visitors and lifelong residents alike will find a surprise on every page. Roadside Kansas Rex C. Buchanan, James R.

McCauley, 2010-03-05 Two decades after its first publication Roadside Kansas remains the premier guide to the geology, natural resources, landmarks, and landscapes along nine of the Sunflower State's major highways. During that span, however, many aspects of the Kansas landscape changed: the growth of some towns and near disappearance of others, the expansion of highways, the development of industry. Even the rocks themselves changed in places as erosion took its relentless toll. More broadly, there have been changes in the science of geology. This new edition reflects all of these changes and thoroughly updates the previous edition in ways that reinforce its preeminent status. Covering more than 2,600 miles, Buchanan and McCauley organize their book by highway and milepost markers so that modern-day explorers can follow the road logs easily, learning about the land as they travel through the state. Featuring more than 100 photographs, drawings, and maps, the book also provides deft descriptions of fascinating contemporary and historical features to be seen all across Kansas. Especially in an economic era that has encouraged all of us to travel closer to home, the new edition is sure to be a hit with families from Kansas and the region who decide to explore and learn more about the state and its distinctive wonders. They'll discover what Buchanan and McCauley have known for a long time: Kansas highways provide much more than passage to Colorado or some other state. They are destinations in their own right. Published for the Kansas Geological Survey. **Here Today** Jeffrey B.

Schmidt, 2024-05-21 The history of Oklahoma runs through the thousands of towns that sprang up in the wake of statehood and even before then, readable in the traces of bygone days if you know what to look for. In Here Today, Jeffrey B. Schmidt conducts readers, armchair travelers, and adventurers alike through places that tell Oklahoma's story: towns all but disappeared, waning or persisting despite the odds. Part travelogue, part field guide, part history, the book is replete with photos, maps, and GPS coordinates, documents the rise and fall of one hundred of these towns from the arrival of pioneers and settlers to the rise of buildings and businesses, to the decline that came with natural disasters, manmade crises, and cultural change. Schmidt provides an enlightening look at what has made these towns work: the role of roads and railways, public schools and churches, community building and commerce, and perhaps most significant, the official recognition that a post office conferred. He notes the oil strikes, coal mines, intriguing crimes, violent weather, and twists of fortune that played into the fate of each, points out the landmarks that still stand and the shadows of those that have succumbed to indifference, destruction, or the passage of time, and puts the story these towns tell into the larger context of westward expansion, Native American history, and in the case of the many all-Black towns, discrimination and segregation. Whether visiting ghost towns or small towns that still draw on the power of rural resilience to survive and even thrive, Here Today offers a rare chance to travel through the state's history before its remnants may be gone tomorrow. Representing the extraordinary extent of Schmidt's research, legwork, and mining of archives and data sources, the book preserves for all time a vanishing vision of

Oklahoma **Cities on the Plains** James R. Shortridge, 2004 Drawing on rich historical research filtered through cultural geography Shortridge looks at the 118 communities that ever achieved a population of 2 500 and unravels the many factors that influenced the growth of urban Kansas He tells how mercantilism dominated urban thinking in territorial days until after statehood when cities competed for the capital prisons universities and other institutions He also shows how geography and size were employed by entrepreneurs and government officials to prepare strategies for economic development And he describes how the railroads especially promoted the founding of cities in the nineteenth century and how this system has fared since 1950 in the face of globalization and the growth of interstate highways BOOK JACKET Hidden History of

Kansas Adrian Zink, 2017 Series statement from publisher s website Explorer's Guide Kansas Lisa Waterman Gray, 2011-06-06 With Explorer s Guides expert authors and helpful icons make it easy to locate places of extra value family friendly activities and excellent restaurants and lodgings Regional and city maps help you get around and What s Where provides a quick reference on everything from tourist attractions to off the beaten track sites Along with Amish farms rolling countryside and interesting history Kansas offers rodeos powwows pancake races Renaissance fairs and spinach festivals Kansas is known for wheat cattle and wide open spaces but it also has day spas boutique hotels museums concerts and vital urban scenes There s a lot to see and do here with an insider guiding you you can expect extras like a detailed look at the exciting cultural centers of eastern Kansas with their fine restaurants nightlife and art There really is no place like Kansas
