Ghostbusters Volume 4 Who Ya Gonna Call:

Graphic Novels Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read alike. New subgenres, new authors, new artists and new titles appear daily in the comic book and manga world joining thousands of existing titles, some of which are very popular and well known to the enthusiastic readers of books in this genre. How do you determine which graphic novels to purchase and which to recommend to teen and adult readers? This updated guide is intended to help you start, update or maintain a graphic novel collection and advise readers about the genre. Containing mostly new information as compared to the previous edition, the book covers iconic super hero comics and other classic and contemporary crime fighter based comics, action and adventure comics including prehistoric heroic explorer and Far East adventure as well as Western adventure science fiction titles that encompass space opera, fantasy, aliens, post apocalyptic themes and comics with storylines revolving around computers, robots and artificial intelligence. There are also chapters dedicated to fantasy titles, horror titles such as comics about vampires, werewolves, monsters, ghosts and the occult, crime and mystery titles regarding detectives, police officers, junior sleuths and true crime comics on contemporary life covering romance, coming of age stories, sports and social and political issues, humorous titles and various nonfiction graphic novels.

The effects, challenges and changes may not be the same, still a pandemic affects us all. But soon everything we are experiencing will be part of history. The Coronavirus Disease 2019 (COVID-19) has not only slowed us down but also changed the way we work, live and plan for the future. Not only for the duration of the Enhanced Community Quarantine (ECQ), Modified ECQ or General Community Quarantine (GCQ) but for a very long time. The Quarantined Thoughts book project, formerly called Coronavirus Chronicles, was created to give people something to do at home during the ECQ in March 2020. Our goal is to encourage everyone to chronicle life during a pandemic and help process thoughts and feelings through writing. Each of us has stories that deserve to be told. This is one of the many volumes. This is Volume 4 with stories from Kath C. Eustaquio-Derla, Philippines; Anna Catherine Villamor, Philippines; Mark Manalang, Philippines; Raquel G.
