Girl Guide Leader Poem:

The New Girl Sally Mitchell, 1995 In the 1930s a band of smart and able young men some still in their twenties helped Franklin D Roosevelt transform an American nation in crisis They were the junior officers of the New Deal Thomas G Corcoran Benjamin V Cohen William O Douglas Abe Fortas and James Rowe helped FDR build the modern Democratic Party into a progressive coalition whose command over power and ideas during the next three decades seemed politically invincible This is the first book about this group of Rooseveltians and their linkage to Lyndon Johnson s Great Society and the Vietnam War debacle Michael Janeway grew up inside this world His father Eliot Janeway business editor of Time and a star writer for Fortune and Life magazines was part of this circle strategizing and practicing politics as well as reporting on these men Drawing on his intimate knowledge of events and previously unavailable private letters and other documents Janeway crafts a riveting account of the exercise of power during the New Deal and its aftermath He shows how these men were at the nexus of reform impulses at the electoral level with reform thinking in the social sciences and the law and explains how this potent fusion helped build the contemporary American state Since that time efforts to reinvent government by brains trust have largely failed in the U S In the last quarter of the twentieth century American politics ceased to function as a blend of broad coalition building and reform agenda setting rooted in a consensus of belief in the efficacy of modern government Can a progressive coalition of ideas and power come together again *The Fall of the House of Roosevelt* makes such a prospect both alluring and daunting

English the language of instruction in the educational system she attended She traces how her poetic self expression in English soon evolved into writing personal essays through high school and college and how this progressed into writing academic articles to keep her teaching position at a university in the Philippines She then narrates how her academic writing background incalculably facilitated her career as a government researcher and college instructor during more than 3 decades of her 43 year permanent residency in Canada Interweaving the stories of her writing experience with recollections of family and work life in the Philippines and Canada she draws her journey to a full circle with her once again writing literary pieces and putting them together in the three memoirs she had self published since 2019 *Selective Guide to*

The Covid Chronicles: Personal Pandemic Stories

from Around the World Kenn Crawford,2020-05-01 You re not alone with how you feel about Covid 19 I believe what many people need during these stressful times is to hear from people who feel just like they do which is why I decided to compile this book of personal pandemic stories from around the world With more than two dozen submissions from Canada the United States China Kenya Taiwan Australia and Jamaica this book is a reminder that we each have a story to tell and when we share our stories our thoughts and even our fears it reminds those of us who need to hear it the most that even though we may not be physically together you are not alone No one really knows exactly what our new normal will be when this

pandemic is finally behind us but we know we will overcome it together by staying socially separated yet socially connected in heart and in spirit I hope you enjoy these stories as much as I have Thank you Kenn *Strange Things Are Happening*

Richard Norris,2024-03-21 The rainbow reaches right across the sky for miles and miles and has landed right in the middle of our field My mother Alison is standing at the beginning I m sure it s a beginning rather than the end as there s no pot of gold in sight The point where everything forms or perhaps is not quite formed as yet That s my favourite place A place alive with possibility *Strange Things Are Happening* begins with the wonder of that rainbow and continues with many escapades down the rabbit hole From punk and the beginnings of the DIY scene through Acid House psychedelia the rise of electronic dance music and much more Richard Norris has been involved in countless countercultural revolutions From misadventures in Amsterdam with Timothy Leary with Sun Ra at customs and Shaun Ryder in Joe Strummer s beaten up Cadillac in Tijuana to his extraordinarily influential output in *The Grid* and *Beyond The Wizards Sleeve* Richard Norris story is one of collaboration and community fuelled by relentless psychedelic curiosity *Strange Things Are Happening* is a record of a life lived in the moment forever in thrall to discovery exploration and innovation the search for what lies at the other end of that rainbow
