**Tiny Little Pharmacists** Michael Park, Darrell Mala and Jack are three quirky characters who have an equally unusual dream to transform the world through the alchemical power of pharmacy. Just as pharmacists work on an elevated platform in their own way, Darrell Mala and Jack were born for the stage. While growing up in a small backwards American town, their outlandish behavior often lands them in a heap of trouble. However, whether it's leading a bra-burning protest outside their high school, upending a show trial when one of them is accused of slapping a teacher, or an impromptu midnight performance in an abandoned pharmacy on the wrong side of town, these lifelong friends are determined to abide by their principles and their dreams no matter what. As *Tiny Little Pharmacists* follows this trio from childhood to adulthood, the narrative is as unconventional as its protagonists. Not only does it extend hundreds of years into the past, linking the practice of pharmacy with the persecution of witches, it also reaches thousands of years into the future where pharmacists are being exterminated by the evil American Fried Chicken corporation. In a world that dismisses pharmacists as glorified pill counters soon to become obsolete, this novel flips the script. Prepare for a wild ride through history, rebellion, and the heart of pharmacy itself. After reading this book, you'll never look at pharmacists or their craft the same way again.

*Raised by a Nine-Year Old King*: Hezekiah Nevels,2011-08-31 This story is about a nine-year-old boy given the opportunity to live on the streets of Philadelphia. He had to grow up through the most chaotic times in the history of America: Jim Crow, Vietnam War, Gang Wars, Four assassinations (John F. Kennedy Jr, Martin L. King Jr, Bobby Kennedy, and Malcolm X), Civil Rights Movement, Race riots, the Love and Peace movement, Sex and Drugs Revolution, and Motown and Rock Roll Music revolution. There were a lot of grown-ups who did not survive those times. It's very interesting how this nine-year-old found his way through forty-something years of fear, horror, torture, sex, drugs, people, places, and things. Though the grace of GOD, he is still keeping on. This is the first book of a five-part series. Series number one: *Raised By A Nine Year Old King*. The four other series are not titled as of yet. Please understand that this book was written with a lot of emotion. What I went through to get the words out was so devastating. It took a lot out of me to recall those moments of time. I literally had to relive those moments of pain, horror, fear, and torture. Some of those times were not as bad as others, but it was

hard to do just the same This first book is about a boy caught up in time A time he never under stood This boy was pushed to grow up a at time in his life when he had no understanding of what he was about to go through Everything came fast untimed and shocking He was shot out into life with no warning and no skills He had to learn by trail and era He is still carrying those traits with him today after over forty years He grew up and became a man with the absence of that little boy who never got a chance to experience what it would have been like to be one He was always forcing his self to go through the elements of life always fighting hoping and praying Today I can say he survived by the skin of his teeth The interesting thing about his survival is what who and how he went through these forty something years In the series to come you will learn about how he evolved through those trying years This boy live a life that proves that when you are walking in the sand and one moment you look down and see two pairs of foot prints in the sand and for forty years of walking in that sand you only see one pair of foot steps You know that you were carried through all those years For that I am surely blesses I know that I could not have walked through those forty years on my own I stated earlier this boy had no warning and no skills Thank GOD for GOD

odds hero who was literally the last man standing Doc Holliday Earp's unlikely crony the tragic tale of the Earp family all of these elements make the story of the O K Corral irresistible to a great many people Hollywood filmmakers were quick to recognize the legend's attraction and its potential As early as 1939 with the production of Frontier Marshal moviemakers were recreating the gunfight at the O K Corral and its attendant happenings in Tombstone Arizona on October 26 1881 The following decades produced various renderings of the story some more historically accurate than others but all with the American flair for entertainment This volume examines eight movie renderings of the legendary gunfight Produced from 1939 to 1994 these movies each use Wyatt Earp and other real life characters as their sources The work focuses on the filmmakers treatment of the history and the skill with which each balances fact with the necessity of entertainment The ways in which Wyatt Earp is presented in each film and this portrayal's relationship to the period in which the film was made is also examined in detail Films discussed are Frontier Marshal 1939 Tombstone The Town Too Tough to Die 1942 My Darling Clementine 1946 Gunfight at the O K Corral 1957 Hour of the Gun 1967 Doc 1971 Tombstone 1993 and Wyatt Earp 1994 Period photographs are also included
