**Divine Design** Mary A Kassian, Nancy Leigh DeMoss, 2012-03-01 What does it mean to be a woman The current cultural ideal for womanhood encourages women to be strident sexual self centered independent and above all powerful and in control But sadly this model of womanhood hasn t delivered the happiness and fulfillment it promised The Bible teaches that it s not up to us to decide what womanhood is all about God created male and female for a very specific purpose His design isn t arbitrary or unimportant It is very intentional and He wants women to discover embrace and delight in the beauty of His design He s looking for True Women Bible teachers Mary A Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God s Word And to enhance this time of learning together on line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God s design and mission for their lives A True Woman Book The goal of the True Woman publishing line is to encourage women to Discover embrace and delight in God s divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God s Spirit in their families churches nation and world *Nice Girls Don't Win* Parvati Shallow, 2025-07-08 A bible for badass women SARAH MICHELLE GELLAR Gripping and liberating ADAM GRANT 1 New York Times bestselling author of Hidden Potential and Think Again Survivor legend and gay icon Parvati Shallow has won my heart all over again BOWEN YANG A bold eye opening memoir about survival trauma and healing from one of reality television s most talked about stars At twenty five years old Parvati Shallow was plunged into fame and fortune after becoming the million dollar winner of the reality television series Survivor But despite her success the ghosts of her traumatic past coupled with the harsh glare of the public eye kept her locked in a survival cycle of fear and shame that sabotaged her self confidence and eroded her self trust It wasn t until a series of painful life events including the death of her younger brother and a challenging divorce that she found herself on a path of healing that would awaken her true power and reset the course of her life In *Nice Girls Don t Win* Shallow shares the stories that allowed her to transform

her most difficult moments into potent catalysts for empowerment From her childhood growing up in a Florida commune run by a tyrannical female guru to her journey out of the South and into the L A casting rooms that would eventually drop her in the lush but brutal landscapes of Survivor Shallow shows readers what it took to build herself into the ultimate survivor for better and more often for worse She then reveals what it took to rebuild herself into something much greater As harrowing as it is healing Parvati Shallow s story is a testament to the profound lessons that can be found in radical self acceptance and self love
