Dyslexic Dick II The Marine Corps Truly Uncommon Experience Volume :

The Marine Corps Truly Uncommon Experience Richard W. Kraemer, 2014-03-28 This autobiographic story is about my life in the Marine Corps and it is unlike any other story you'll ever read about the Marines. It's not a war story although it did take place toward the end of the Vietnam War. So don't look for a John Wayne type character in the author; it's just not me. It was at a time when the draft had just ended and this was the beginning of an all-volunteer armed service for our country. It's not a victim's story because I'm dyslexic. I'm much more of a man because I'm dyslexic and a Marine veteran as the story tells. The Marine Corps and my dyslexia helped me achieve great things in life. However, being a dyslexic Marine does have its drawbacks too. This story is a humorous, adventurous, and emotional account of my experiences as a Marine. But it also tells what happens when things are not so honorable. I talk about being pulled from basic training and shipped to the dark side of Parris Island, a place no Marine talks about. I talk of my horrible family tragedy and the effect it had on me and the ones I loved. I speak about both at home and abroad of romance, lust, love, and heartbreak. You'll read what it's really like to travel around the world on a Navy ship, seeing ports of call. The story is nothing like one told before. I tell of my accomplishments as a Marine and also write of my long list of criminal activity. I wrote about the criminal underworld of the Marines, a few good criminals, but most were not that good. I talk about the thieves, loan sharks, and drug dealers living among us at our barracks and on the open seas. I told of stories about drinking, drugging, and fighting. I spoke of many honorable Marines and some pretty despicable characters. This is one true real-life Marine Corps story and I am proud to say it's my own. Semper Fi. Richard Dick W. Kraemer
