They will also learn how the duty of Congress is to officially tabulate the Electoral College votes every four years on January 6. Turned deadly in 2021. In addition, they will discover which controversial issues are generally supported by Republicans and Democrats and will use this information to identify which party, if either, they would most likely affiliate themselves with when they are old enough to vote. Students will even discover what every day citizens can do to help change laws and will be encouraged to research how they might one day be able to get their own name on a ballot. Different types of elections, how a bill becomes a law, United States Ambassadors and Embassies, federal surplus, federal deficit, and federal debt are examples of other topics students will learn about by completing the study guides, and several essay suggestions are also included throughout the book.
