Leadership has been challenged with multiple crises in recent years including issues of school safety, school shootings, medical crises such as SARs, HINI and the ongoing pandemic. While each of these situations has resulted in multiple plans of actions, none has impacted our society as the current pandemic COVID-19 has in terms of immediacy of needs and actions. School and district leaders are in charge of managing many stakeholders, circumstances and have the authority and responsibility to lead with ethical behavior. Al Habusi, Ismail Omar, 2018 Integrity, resilience, fairness help guide the components of ethical leadership that leaders need to model, communicate and use as a framework for implementing and sustaining change in organizations. Hegarty, Moccia, 2018 This book is targeted for leaders of educational systems, school buildings and those leaders of organizations that are connected in some way to educational systems and schools at all levels. The educational issues raised by the COVID pandemic began in March 2020. The leadership needs identified throughout this crisis exemplify many of the issues of crisis management that is applicable to other issues such as school violence, school safety accidents and deaths that occur in every district.      Proceedings, 1996
