Early Childhood Education Today 11th Edition:

Early Childhood Education Today George S. Morrison, 2003-10-01 Contemporary Perspectives and Research on Early Childhood Education Jeanne Galbraith, Ozkan Ozgun, Mustafa Yasar, 2014-04-23

Contemporary Perspectives and Research on Early Childhood Education is a welcome addition to the field of early childhood education. This book enhances the understanding of different approaches to curriculum and instruction, appropriate assessment strategies, the role of math and science in children's development, the importance of seeing the whole child, and ensuring children develop holistically through play and arts training, effective teachers, and the importance of helping parents to be better supporters of their children. Along with this comprehensive content, the book also contains diverse methodologies including qualitative, quantitative, and mixed method approaches, which will further enrich the reader's perspective and understanding of a wide range of topics in the field. Thus, this book creates a platform for researchers and practitioners to share and discuss research findings, expertise, and experiences about early childhood education.
