An Eoraip: Gaelic Ireland in Medieval and Early Modern Europe ,2025-08-14 Medieval and early modern Irish scholars thought of themselves as Europeans As an expression of territorial association this belief reflects both their familiarity with the geographical traditions of Antiquity and the integration of their society into economic cultural and political networks that spanned the continent But it was also an articulation of a perceived cultural affinity often denied in modern scholarship The chapters in this volume examine the many and various ways that Gaelic Ireland was integrated into the broader European world focusing on literature and learning real world politics economics and travel and questions of identity Contributors are Rachel Brody Michael Clarke Simon Egan Deborah Hayden Brendan Kane Victoria L McAlister Ken Donnchu Patricia Palmer Brian Stone and Patrick Wadden *Perceptions of Femininity in Early Irish Society* Helen Oxenham,2016 An examination of how the feminine was viewed in early medieval Ireland through a careful study of a range of texts *History and Salvation in Medieval Ireland* Elizabeth Boyle,2020-12-30 History and Salvation in Medieval Ireland explores medieval Irish conceptions of salvation history using Latin and vernacular sources from c 700 c 1200 CE which adapt biblical history for audiences both secular and ecclesiastical This book examines medieval Irish sources on the cities of Jerusalem and Babylon reworkings of narratives from the Hebrew Scriptures literature influenced by the Psalms and texts indebted to Late Antique historiography It argues that the conceptual framework of salvation history and the related theory of the divinely ordained movement of political power through history had a formative influence on early Irish culture society and identity Primarily through analysis of previously untranslated sources this study teases out some of the intricate connections between the local and the universal in order to situate medieval Irish historiography within the context of that of the wider world Using an overarching biblical chronology beginning with the lives of the Jewish Patriarchs and ending with the Christian apostolic missions this study shows how one culture understood the histories of others and has important implications for issues such

as kingship religion and literary production in medieval Ireland This book will appeal to scholars and students of medieval Ireland as well as those interested in religious and cultural history *Approaches to Religion and Mythology in Celtic Studies* Alexandra Bergholm, Katja Ritari, 2009-03-26 This publication is the first interdisciplinary collection of articles focusing on religion and mythology in Celtic studies The first part presents various current viewpoints within the field from scholars of history art history and literary studies In addition to more traditional approaches the other two parts of the book illustrate the possibilities of applying new theories and methods from the discipline of Comparative Religion to the analysis of Celtic materials They introduce previously unpublished results of the international research network The Power of Words in Traditional European Cultures and the research project Religion Society and Culture Defining the Sacred in Early Irish Literature funded by the Academy of Finland at University of Helsinki The present collection serves as a significant contribution towards a better understanding of issues that have not been previously brought together in a single volume As such it is of interest to scholars in Celtic studies as well as other related disciplines **In Search of the Irish Dreamtime:**

Archaeology and Early Irish Literature J. P. Mallory, 2016-06-14 Ireland's oldest traditions excavated via archaeological genetic and linguistic research culminating in a truly groundbreaking publication Following his account of Irish origins drawing on archaeology genetics and linguistics J P Mallory returns to the subject to investigate what he calls the Irish Dreamtime the native Irish retelling of their own origins as related by medieval manuscripts He explores the historical backbone of this version of the earliest history of Ireland which places apparently mythological events on a concrete timeline of invasions colonization and royal reigns that extends even further back in time than the history of classical Greece The juxtaposition of traditional Dreamtime tales and scientific facts expands on what we already know about the way of life in Iron Age Ireland By comparing the world depicted in the earliest Irish literary tradition with the archaeological evidence available on the ground Mallory explores Ireland's rich mythological tradition and tests its claims to represent reality

Tristram,1997 **A landscape of words** Amy C. Mulligan,2019-05-14 Living on an island at the edge of the known world the medieval Irish were in a unique position to examine the spaces of the North Atlantic region and contemplate how geography can shape a people This book is the first full length study of medieval Irish topographical writing It situates the theories and poetics of Irish place developed over six centuries in response to a variety of political cultural religious and economic changes in the bigger theoretical picture of studies of space landscape environmental writing and postcolonial identity construction Presenting focused studies of important literary texts by authors from Ireland and Britain it shows how these discourses influenced European conceptions of place and identity as well as understandings of how to write the world

Myths and Legends of the Celts James MacKillop,2006-06-01 Myths and Legends of the Celts is a fascinating and wide ranging introduction to the mythology of the peoples who inhabited the northwestern fringes of Europe from Britain and the Isle of Man to Gaul and Brittany Drawing on recent historical and archaeological research as well as literary and oral sources the guide looks at the gods and goddesses of Celtic myth at the nature of Celtic religion with its rituals of sun and moon worship and at the druids who served society as judges diviners and philosophers It also examines the many Celtic deities who were linked with animals and such natural phenomena as rivers and caves or who later became associated with local Christian saints And it explores in detail the rich variety of Celtic myths from early legends of King Arthur to the stories of the Welsh Mabinogi and from tales of heroes including C chulainn Fionn mac Cumhaill and the warrior queen Medb to tales of shadowy otherworlds the homes of spirits and fairies What emerges is a wonderfully diverse and fertile tradition of myth making that has captured the imagination of countless generations introduced and explained here with compelling insight

Sages, Saints and Storytellers James Carney,1989 **The Cambridge History of Ireland: Volume 1, 600-1550** Brendan Smith,2018-03-31 The thousand years explored in this book witnessed developments in the history of Ireland that resonate to this day Interspersing narrative with detailed analysis of key themes the first volume in The Cambridge History of Ireland presents the latest thinking on key aspects of the medieval Irish experience The contributors are leading experts in their fields and present their original interpretations in a fresh and accessible manner New perspectives are offered on the politics artistic culture religious beliefs and practices social organisation and economic activity that prevailed on the island in these centuries At each turn the question is asked to what extent were these developments unique to Ireland The openness of Ireland to outside influences and its capacity to influence the world beyond its shores are recurring themes Underpinning the book is a comparative outward looking approach that sees Ireland as an integral but exceptional component of medieval

Christian Europe **Dark Speech** Robin Chapman Stacey, 2016-09-15 What does it mean to talk about law as theater to speak about the performance of transactions as mundane as the sale of a pig or as agonizing as receiving compensation for a dead kinsman In *Dark Speech* Robin Chapman Stacey explores such questions by examining the interaction between performance and law in Ireland between the seventh and ninth centuries Exposing the inner workings of the Irish legal system Stacey examines the manner in which publicly enacted words and silences were used to construct legal and political relationships in a society where traditional hierarchies were very much in flux Law in early Ireland was a verbal art grounded as much in aesthetics as in the enforcement of communal norms In contrast with modern law no sharp distinction existed between art and politics Visualizing legal events through the lens of procedure Stacey helps readers recognize the creative fluid and inherently risky nature of these same events While many historians have long realized the mnemonic value of legal drama to the small principally nonliterate societies of the early Middle Ages Stacey argues that the appeal to social memory is but one aspect of the role played by performance in early law In fact legal performance like other more easily recognized forms of verbal art created and transformed as much as it recorded
