## **Getting The Best Of Me:**

The Best of Me David Sedaris, 2020-11-03 Genius It is miraculous to read these pieces You must read The Best of Me Andrew Sean Greer New York Times Book Review A New York Times Book Review Editors Choice A CNN and Christian Science Monitor Best Book of the Month For more than twenty five years David Sedaris has been carving out a unique literary space virtually creating his own genre A Sedaris story may seem confessional but is also highly attuned to the world outside It opens our eyes to what is at absurd and moving about our daily existence And it is almost impossible to read without laughing Now for the first time collected in one volume the author brings us his funniest and most memorable work In these stories Sedaris shops for rare taxidermy hitchhikes with a lady quadriplegic and spits a lozenge into a fellow traveler s lap He drowns a mouse in a bucket struggles to say give it to me in five languages and hand feeds a carnivorous bird But if all you expect to find in Sedaris s work is the deft and sharply observed comedy for which he became renowned you may be surprised to discover that his words bring more warmth than mockery more fellow feeling than derision Nowhere is this clearer than in his writing about his loved ones In these pages Sedaris explores falling in love and staying together recognizing his own aging not in the mirror but in the faces of his siblings losing one parent and coming to terms at long last with the other Taken together the stories in The Best of Me reveal the wonder and delight Sedaris takes in the surprises life brings him No experience he sees is quite as he expected it s often harder more fraught and certainly weirder but sometimes it is also much richer and more wonderful Full of joy generosity and the incisive humor that has led David Sedaris to be called the funniest man alive Time Out New York The Best of Me spans a career spent watching and learning and laughing quite often at himself and invites readers deep into the world of one of the most brilliant and original writers of our time

**Artisan, Tinner and House Furnisher** Daniel Stern,1924 *The Best of TMWG* Rob Alexander,2013-02-28 i ve got peter gabriel s I Don t Remember going thru my head this morning and most of yesturday and the day before it seems important to some part of my soul which sits with signs and applause everytime it goes thru my head they like the drive of the artist s expression of frustration and anxiety which comes thru in a manic crazyness the song is an example of something that flashes us spiritually maybe unlike a man in a trenchcoat wearing shorts with a tee shirt flashing us briefly ow as we walk by the words believe in god embelished on his shirt echo on the canvas of the imagination it doesn t matter if we turn around run after him and chide him in his actions it doesn t matter if by doing this it puts him in the same alagory as a pervert and by action god as well ultimately tho the tired worn out god quietly sitting in a courner desperatly trying to believe in himself

probably wondering how valid this whole soap opera is and whether or not spiritual flashers help or hurt his cause now i got one of the songs from the last temptation of christ going thru my head soundtrack ala peter gabriel as well another spiritual flasher who jesus or peter gabriel both an arrow pointing at a path to be walked or a voice to listen to or a feeling to behold the hardest part is opening your heart up to the option the option to be open maybe it s god that s trying to get into a working relationship with us and it s us that flinch and put it back up on a pedistal why pursue it then the path you might accidently get superpowers or something start levitating healing the sick curing the blind become an issue to be delt with by turkeys that can t fly walk around wonder when thanksgiving is wonder if you look like a turkey if you are a turkey walking around with turkeys talking turkey talk about how great it is to be a turkey waiting for other turkeys to come over and watch turkey friends on turkey tv and each turkey has the same turkey right to talk turkey to any turkey it wants in a frantic pace with a frantic face then it s a good turkey day to be a turkey gobble it up the daily rut question your life avoid the knife be not a turkey entwined behind the line of commonality to turkey HQ after awhile you fall into the style you are accepted people talk to you and you find flaws in the turkey tune
