that. There are several  
pumpkin patches in the  
Tulsa area and bordering

Events held around the ball  
allows you to play in the  
comfort of your own hall,

It's not easy to talk to  
classmates about their  
work and that's it, but get to  
know them more, offer to  
hang out with them outside  
of class and study time.  
They'll probably love you if  
they're not dumb!

## WASH AT THE BEACH

Grab some goggles and  
floaties and take a swim.

## GO TO A FARM AND WATCH SOME ANIMALS ON A RANCH

The weather will get a lot  
colder so have fun  
bundling up in lots of layers  
and enjoy some movies.

## GO TO A THEME PARK

If you have a vehicle, go to a  
theme park if you have the  
funds for it. Flips, Disney  
and Busch Gardens are only  
4 hours away by car. You  
can even take the  
ghosthound if you're  
careless enough.

## VISIT AN ANIMAL SHELTER

Go and get some animals.  
Show them some love! You  
can't just take one home  
though. In order to have an  
animal in the hall, you must  
register it as an Emotional

Excerpt from Holy Ghost College Bulletin 1898 Vol 5 Where shall we go to school What kind of an education shall we pursue are questions that recur every year to the mind of the earnest young man who feels the necessity of fitting himself out for the struggles of his future life Parents are even still more sensible to the anxieties which prompt these questions and many are the inquiries made many are the premises laid down and many are the dilemmas instituted before the ultimate conclusion has been arrived at in regard to this all important matter of their children s education To many it must seem a rather lengthy period of time that is consumed in our regular College Course Is not this a somewhat useless expenditure Why is it necessary to spend so many years in reading Cornelius Nepos and Caesar and Virgil and Cicero and Horace not to speak of the corresponding Greek authors whose works are put into pupils hands year after year Would not one of these be sufficient and after all would not the grammar alone be enough to produce the results desired It is true that a future priest needs to be familiar with those things but for the doctor or the lawyer could not all this be boiled down to the minimum that is needed for his distinct profession And surely for ordinary persons a good drill of a year or two in some practical points is the best thing that can be suggested to the ambitious youth of this hustling age All this is but a conservative and incomplete expression of the thoughts and reasonings of a vast multitude even of parents who are otherwise able and willing to give their children a good education But most of them cannot at all and some can only with considerable difficulty be brought to understand that the prolonged sojourn of a student in a good college is not merely designed to provide a safe and temporary harbor from the dangers of that tempestuous season of life but it is a period of hard and unceasing labor scarcely sufficient in its most extensive course to insure a good thorough education in the true and broad sense of the word About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
