Gianna Aborted And Lived To Tell About It Focus On The Family:

Gianna J Shaver, Jessica Shaver, Jessica Shaver Renshaw, 1995 The miraculous story of a girl who after surviving being aborted now travels the country singing and speaking on behalf of the unborn **Abortion Compassion** Jim Hollingsworth, 2022-03-15 Abortion Compassion by Jim Hollingsworth _____ *Gianna Jessica Shaver, Jessica Shaver Renshaw, At the tender age of 17 Tina was frightened and pregnant Feeling abandoned and desperate she stepped into the clinic to have an abortion But in the midst of it something unexpected happened something wonderful Instead of snuffing out the growing life within the procedure failed And with defiance and courage a baby girl made her way into the world Gianna is the incredible true story of one girl s remarkable journey from abortion survivor to steadfast defender and lover of life This book isn t about issues it s about a young woman s determination to make the most of her God given opportunities* **Pro-Life Answers to Pro-Choice Arguments** Randy Alcorn, 2009-01-21 As politicians citizens and families continue the raging national debate on whether it s proper to end human life in the womb resources like Randy Alcorn s Pro-life Answers to Prochoice Arguments have proven invaluable With over 75 000 copies in print this revised and updated guide offers timely information and inspiration from a sanctity of life perspective Real answers to real questions about abortion appear in logical and concise form The final chapter Fifty Ways to Help Unborn Babies and Their Mothers is worth the price of this book alone **Abortion-- Murder Or Mercy?** François B. Gérard, 2001 This book is meant to provide an overview of and gather the literature on abortion one of the most divisive issues of our times Honest women and men the world over must deal with this issue in their hearts and minds whether or not they ever face the issue personally It is hard to conceive of a single thinking person who doesn t have an opinion on abortion usually strongly held The arguments are cogent on both sides of the issue We hope that this collection will bring to the attention of readers the publications which shed light on the fundamental issues involved **Between Jesus and the Market** Linda Kintz, 1997-07-23 Between Jesus and the Market looks at the appeal of the Christian right wing movement in contemporary American politics and culture In her discussions of books and videotapes that are widely distributed by the Christian right but little known by mainstream Americans Linda Kintz makes explicit the crucial need to understand the psychological makeup of born again Christians as well as the sociopolitical dynamics involved in their cause She focuses on the role of religious women in right wing Christianity and asks for example why so many women are attracted to what is often seen as an antiwoman philosophy The result a telling analysis of the complexity and appeal of the emotions that matter to many Americans highlights how these emotions now determine public policy in ways that are increasingly dangerous for those outside familiarity s circle With texts from such organizations as the Christian Coalition the Heritage Foundation and Concerned Women for America and writings by Elizabeth Dole Newt Gingrich Pat Robertson and Rush Limbaugh Kintz traces the usefulness of this activism for the secular claim that conservative political economy is in fact simply an expression of the deepest and most admirable elements

of human nature itself The discussion of Limbaugh shows how he draws on the skepticism of contemporary culture to create a sense of absolute truth within his own media performance its truth guaranteed by the market Kintz also describes how conservative interpretations of the Holy Scriptures the U S Constitution and the Declaration of Independence have been used to challenge causes such as feminism women s reproductive rights and gay and lesbian rights In addition to critiquing the intellectual and political left for underestimating the power of right wing grassroots organizing corporate interests and postmodern media sophistication Between Jesus and the Market discusses the proliferation of militia groups Christian entrepreneurship and the explosive growth and selling of the Promise Keepers **Souls, Bodies, Spirits** Kerry N. Jacoby,1998-04-23 Jacoby provides a comprehensive social history of the abortion abolition campaign from its beginnings following Roe v Wade through the 1996 elections She explores the abortion abolition effort historically sociologically theologically and politically arguing for a deepened understanding of American abortion opponents The history of the abortion abolition effort in America is examined through three different approaches to the understanding of collective behavior Beginning with the immediate post Roe period the movement is explored as a Catholic moral crusade and Jacoby analyzes why Catholic Americans were particularly prone to such activity as well as why otherwise theologically compatible Protestants were not She then examines the effort as a major social movement beginning around 1980 Finally the late 1980s development of direct action activity most notably in the form of Operation Rescue is viewed in light of its connection to the theology and expectations of religious revivalism In her conclusions Jacoby provides a new model for understanding faith based political action Students teachers and the general public will find this book a thorough comprehensive and accessible examination of the movement *Speak up for Life* Sheryl Ende,2023-03-10 Life is precious *Speak up for Life* presents places in recent history that endured unprecedented attacks on life Looking into some of the atrocities that have happened to God s people and how easily life can be threatened can teach us how to live wisely in these uncertain times Discover special people like Corrie ten Boom the Midwife of Auschwitz and Kenny Blacksmith and how they lived and responded in the face of danger and hardship Through vivid photography and beautiful artwork unfolds true life stories that will challenge readers to speak up for life stand in the gap and be Jesus hands and feet in our culture today Gently introducing controversial issues that are not often connected each chapter immerses readers into a rich variety of resources Dive deeper into studying Scripture in order to live an abundant life that brings God glory and carries His healing to the nations Janice Huse www.janicehuse.com Securely based on a scriptural foundation it provides a clever format in which to present true stories of real life heroes of the faith They are of different ages ethnicities and backgrounds but devoted to a common faith which is proven during adversity Their stories are masterfully interwoven well illustrated and documented and enhanced with the author s personal reflections The pervasive theme uniting these heroes is their life testimony of sacrificial love and protection of life as represented by the least the lost the broken and the forsaken Allan Parker President of The Justice Foundation <https://thejusticefoundation.org>
