Christopher L. Murphy,2009-03-25 Bigfoot Film Journal provides a detailed account and analysis of the circumstances and aftermath of one of the most controversial motion picture films in world history the Patterson Gimlin film In October 1967 Roger Patterson and Robert Gimlin filmed what many people believe was an actual sasquatch or bigfoot on a shore of Bluff Creek in Northern California The one minute film they took of the creature has been vigorously debated for over 40 years and it continues to reside in the annals of the unexplained The creature filmed cannot be proven to be either an actual primate of some sort or a fabrication Much has been written about the film in the past but the details of the filming and its aftermath have not been thoroughly researched and subjected to in depth critical analysis With the assistance and cooperation of Robert Gimlin and several major sasquatch bigfoot researchers the author has methodically detailed the fascinating story of the filming and the subsequent events Many little known or indeed previously unknown facts are presented that dismiss or at the very least challenge current beliefs and understandings For those interested in the bigfoot sasquatch issue here is the behind the scene account of what has become to many people the most compelling evidence of the creature s existence      **Paranormal America (second edition)** Christopher D Bader,Joseph O Baker,F. Carson

Mencken,2017-04-18 An engrossing and intellectually stimulating portrait of the countless Americans who believe in paranormal phenomena Journal of Religion and Culture Popular culture makes clear that there s a seemingly insatiable public appetite for information and entertainment about what we call the paranormal supernatural or mystical But how many Americans believe in the paranormal and who are they Based on extensive research and their own unique experiences Christopher Bader Joseph Baker and Carson Mencken reveal that a significant number hold these beliefs and that for better or worse we undoubtedly live in a paranormal America Paranormal America follows the authors as they participate in psychic and palm readings have their auras photographed join a Bigfoot hunt follow a group of celebrity ghost hunters as they investigate claims of a haunted classroom and visit a support group for alien abductees The second edition also includes new and updated research based on findings from the Baylor Religion Survey regarding America s relationship with the paranormal Drawing on these diverse and compelling sources of data the book offers an engaging account of the social personal and statistical stories of American paranormal beliefs and experiences It examines topics such as the popularity of paranormal beliefs in the United States the ways in which these beliefs relate to each other whether paranormal beliefs will give rise to a new religion and how believers in the paranormal differ from average Americans Brimming with fascinating anecdotes and provocative new findings Paranormal America offers an entertaining yet authoritative examination of a growing segment of American religious culture An engaging and eye opening book that offers an abundance of new insights dispelling some popular stereotypes and reaffirming others Roger Finke Distinguished Professor of Sociology and Religious Studies Pennsylvania State University      The Search for Sasquatch (A Wild Thing Book) Laura Krantz,2022-10-11 Inspired

by her popular Wild Thing podcast journalist Laura Krantz incorporates the scientific method and her journalistic skills to determine if Bigfoot is real now in paperback When journalist Laura Krantz discovered that her long lost cousin Grover Krantz a distinguished anthropologist and professor at Washington State University had devoted much of his career to the search for Bigfoot she couldn't quite believe it A natural skeptic and a strong believer in facts Krantz decided to conduct her own quest for the most famous and elusive mythical creature The Search for Sasquatch takes readers through the big guy's fun fascinating and complex world posing the question Could Bigfoot be out there Exploring the gray area between myth and science Krantz takes readers on a strange surreal and surprising hunt for the fabled Sasquatch showing us how to challenge our gut assumptions and open our minds to new possibilities to think critically and to use the scientific method along the way The Search for Sasquatch asks readers to evaluate the evidence it presents and make up their own minds all the while considering why Bigfoot might be important even if we don't find him

Bigfoot Influencers Tim Halloran, 2022-10-10 The book highlights researchers scientists and influencers currently performing impactful work on the study related to the subject of Bigfoot Tim dives into their theories experiences and research with the influencers giving readers a glimpse into their historical impact on the subject and their current projects His inspiration to write the book began with a personal quest to better understand who is actively studying the Bigfoot Phenomenon and what motivates them to do so He soon realized the enormous and strategic efforts being put forth by individuals and groups across North America With this in mind the book brings all these individuals together for the readers Whether you are an enthusiast or a researcher The Bigfoot Influencers shares fascinating experiences and facts about the influencers in North America and the impact they are having The Bigfoot Influencers Volume 1 is the first in the series of books delving into this fascinating phenomenon I'm always struck by an eyewitness who will comment on the fact how amazingly rapidly this creature receded or climbed up a slope There was one who said it would have taken me forty five minutes to get up to that ridge top And this thing did it in ten Dr Jeff Meldrum It's a Mystery that hardly no one gives evidence and no one studies it for the most part When sightings happen most people clam up When evidence is presented the scientists clam up Doug Hajicek The scientific method is about observation that's where it begins One begins with an observation and from that emerges some sort of hypothesis Daryl Colyer I'm more confident now about the Patterson Gimlin Film than when I was a 10 or 11 year old back in the late 60s That confidence is based on data and analysis not just first impressions Dr Jeff Meldrum The question of Bigfoot is a complicated one All of science deals with reality whether it's physics or chemistry every science deals with it Dr Esteban Sarmiento These anecdotes span the entire globe involving hundreds of different cultures explaining the same phenomenon by different names so at some point you have to even as a scientist say Well there's got to be something Les Stroud *Cryptid Tourism* Sara Brooke Christian, 2023-08-07 Monster hunting is more than just going out into the woods or hanging out in graveyards The history and performance of monster hunting from Alexander the Great to scientific expeditions of the Victorian era can

lead us directly to modern day Bigfoot searches Combining methods of scientific exploration with aspects of tourism theory demonstrates how monster hunting is performative and through an analysis tool called The Cryptid Tourist Gaze this book examines how and why we go looking for monsters and the ways in which small towns celebrate the monsters that once haunted them By looking at specific museums such as The North American Bigfoot Center and Expedition Bigfoot The Sasquatch Museum as well as various festivals and conferences such as The Mothman Festival and the UFO Festival in Roswell we can witness the ways modern monster hunting practices are performed and see how much they have evolved from their predecessors Through themes of liminality community and initiation the performance of monster hunting through cryptid tourism allows both participants and observers to gain insight into why looking for monsters proving their existence and sharing experiences with other believers is so important
