The Grizzly Bear ,1920 **A Gift to the People** Lynda M. Means,2006-07-19 A collection of stories covering the life of a mix blood Muskogee Cherokee Irish elder Ghost Dancer was raised in the traditional ways of the Red Stick Muskogee people yet spent time each year with his Ani yun wiya Cherokee grandfather and learned those traditional ways as well In this collection many spiritual beliefs of the native people are explained and discussed He starts with some basic understandings and progresses to details of the Purification Lodge and the Medicine Wheel as he was taught by the Old Ones Many of the stories are in a conversational tone and you get the feeling of sitting around a sacred fire and listening to an elder speak This is a very comfortable way to learn these teachings Running Fox *The Gift and its Paradoxes* Dr Olli Pyyhtinen,2014-02-28 Bringing social theory and philosophy to bear on popular movies novels myths and fairy tales The Gift and its Paradoxes explores the ambiguity of the gift it is at once both a relation and a thing alienable and inalienable present and poison Challenging the nature of giving as reciprocal the book engages critically with the work of Mauss and develops a new theory of the gift according to which the gift cannot be reduced to a model of exchange but must instead entail a loss or sacrifice Ultimately the gift is examined in the book as the impossible occurrence of gratuitous giving In addition to exploring the conditions of possibility and impossibility of the gift the book draws on the thought of figures such as Derrida Serres Simmel Cixous Irigaray and Heidegger to argue for the relevance of the phenomenon of the gift to broader issues in contemporary social sciences It takes up questions concerning the constitution of community and the processes by which people are included in or excluded from it gender relations materiality the economy and the possibility that death itself could be a gift in the form of euthanasia or self sacrifice A rigorous yet accessible examination of the phenomenon of the gift in relation to a range of contemporary concerns The Gift and its Paradoxes will appeal to scholars and students within sociology philosophy anthropology political theory and film and literature studies **The Jewelers' Circular** ,1919 *The Spiritual*
