Widow Killer Pavel Kohout,2025-04-16 In the downward spiral of the Third Reich s final days a sadistic serial killer is stalking the streets of Prague The unlikely pair of Jan Morava a rookie Czech police detective and Erwin Buback a Gestapo agent questioning his own loyalty to the Nazi s set out to stop the murderer Weaving a delicate tale of human struggle underneath the surface of a thrilling murder story Kohout has created a memorable work of fiction **Himmler** Willi Frischauer,2016-10-27 Originally published in 1953 this masterly study of Heinrich Himmler is a forceful dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the Nazi twilight he challenged Hitler himself Outwardly insignificant diffident possessing neither the flamboyance of Goering nor the incisiveness of Goebbels Himmler head of the dreaded Secret Police yet made himself the man most feared in the Nazi hierarchy and as much by his friends as his enemies Only when the incredible facts about Himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which Nazism had brought Germany revealed Based on journalist Willi Frischauer s unique knowledge of the background and sequence of events which gave rise to the Hitler regime he manages to unearth the evidence building up stone by stone the mosaic of Himmler s true portrait A fully documented and unforgettable narrative **Berlin Finale** Heinz Rein,2019-08-29 One of the first bestsellers

Popkin, 2023-02-01 Zelda Popkin's adventurous life could have made her the protagonist of one of her own novels In his brilliant telling of the story of her life her historian grandson Jeremy D Popkin has made a singular contribution to the history of American Jewish women in the twentieth century From the 1920s when she worked in the highly competitive and male dominated public relations business to her rise as a million selling author of popular fiction beginning in the 1940s including some of the earliest fiction on the Holocaust and the state of Israel Zelda's life and work

documented the rise of American Jewish women Popkin uses Zelda s experience to bring to life a larger story of American Jews and American women in the twentieth century with the vividness that comes from having a lively character at its center At the same time this will also be a story about a woman whose powerful personality profoundly influenced several generations of a family Popkin makes the case that even if she sometimes burnished her stories to create what he calls legends of Zelda she was one of the most articulate female members of the generation of Jews who fought their way into the American middle class during the decades of the 1920s and 1930s Zelda s life is a rich source of evidence about the experience of American Jewish women and offers perspectives that are frequently at odds with analyses based on men s lives The story of Zelda her generation and its rich and significant legacy will create a compelling portrait and detailed tapestry of an iconic woman and her time **The Progressive Magazine** ,1922 **The Living Age** ,1913 **The New York Times Index** ,1927
