Lucas Milliron

Girl With The Birdsnest Hair:

The Girl with the Bird's-nest Hair Sarah Dyer, 2009 No one really likes brushing their hair but the girl in this delightfully anarchic tale finds out the hard way just what it means to ignore your mother's pleading to brush your hair First there is one little bird making the hair hard to brush then another and another and soon the girl and her mother find their day becomes an avian nightmare

The Salterton Trilogy Robertson Davies, 2016-05-24 The Salterton Trilogy is comprised of the novels *Tempest Tost* *Leaven of Malice* and *A Mixture of Frailties* Robertson Davies first forays into fiction in the 1950s The Trilogy is available in eBook format for the first time In the small university town of Salterton Ontario dreams are quietly taking shape or falling apart In *Tempest Tost* Valentine Rich professional director of the Salterton Little Theatre Company is tormented by the amateurish efforts of his actors The families Vambrace and Bridgetower almost go to war over a fake notice of engagement in the local paper in *Leaven of Malice* And in *A Mixture of Frailties* the fortune of the late Louisa Bridgetower is lavished on an aspiring singer because there is no male heir to claim it Tracing the lives and incidents of a small community The Salterton Trilogy peels off the public veneer of geniality and respectability to reveal the private passions simmering beneath Ingenious erudite entertaining Davies displays all the qualities of a latter day Trollope and shows us what modern Canada is like Anthony Burgess in the Observer Books of the Year

Power and Loss in South African Journalism Glenda Daniels, 2020-07-01 This timely collection of essays analyses the crisis of journalism in contemporary South Africa at a period when the media and their role are frequently at the centre of public debate The transition to digital news has been messy random and unpredictable The spread of news via social media platforms has given rise to political propaganda fake news and a flattening of news to banality and gossip Media companies however continue to shrink newsrooms ousting experienced journalists in favour of content producers Against this backdrop Daniels points out the contribution of investigative journalists to exposing corruption and sees new opportunities emerging to forge a model for the future of non profit public funded journalism Engaging and dynamic the book argues for the power of public interest journalism including investigative journalism and a diversity of voices and positions to be reflected in the news It addresses the gains and losses from decolonial and feminist perspectives and advocates for a radical shift in the way power is constituted by the media in the South African postcolony A valuable introduction to the confusion that confronts journalism students it has much to offer practising media professionals Daniels uses her years of experience as

a newspaper journalist to write with authority and illuminate complex issues about newsroom politics Interviews with alienated media professionals and a semi autobiographical lens add a personal element that will appeal to readers interested in the inner life of the media A Mixture of Frailties Robertson Davies,1958 Witty story of a Canadian girl s adventures as a student of music in London Holly and Ivy: the Story of a Winter "Birds'Nest." Beauty Tips For Girls Margaret Montgomery,2015-03-02 WHAT HAPPENS WHEN BAD ADVICE IS GIVEN AT THE WORST POSSIBLE TIME Katy is an impressionable teenager obsessed with Misty magazine and its beauty tips With her once glamorous mother Corinne spiralling into self destruction she turns to Misty for advice with disastrous but often hilarious consequences Only Katy s teacher Jane has the insight to put her pupil back on track but she has a story of her own to tell Can these three very different women each find their own voice in a society obsessed with perfection The futures of feminism Valerie Bryson,2021-03-02 This book makes the case for an inclusive form of socialist feminism that puts women with multiple disadvantages at its heart It moves feminism beyond contemporary disputes including those between some feminists and some trans women Combining academic rigour with accessibility the book demystifies some key feminist terms including patriarchy and intersectionality and shows their relevance to feminist politics today It argues that the analysis of gender cannot be isolated from that of class or race and that the needs of most women will not be met in an economy based on the pursuit of profit Throughout the book asserts the social economic and human importance of the unpaid caring and domestic work that has been traditionally done by women It concludes that there are some grounds for optimism about a future that could be both more feminist and more socialist **Meat Market** Laurie Penny,2011-05-16 Modern culture is obsessed with controlling women s bodies Our societies are saturated with images of unreal idealised female beauty whilst real female bodies and the women who inhabit them are alienated from their own personal and political potential Under modern capitalism women are both consumers and consumed Meat Market offers strategies for resisting this gory cycle of consumption exposing how the trade in female flesh extends into every part of women s political selfhood Good Little Hearts.
