The Advocate , 2009 **Queering Drag** Meredith Heller, 2020-01-21 Theatrical gender bending also called drag is a popular form of entertainment and a subject of scholarly study However most drag studies do not question the standard words and ideas used to convey this performance genre Drawing on a rich body of archival and ethnographic research Meredith Heller illuminates diverse examples of theatrical gender bending male impersonation in variety and vaudeville 1860 1920 the sexless gender bending of El Teatro Campesino 1960 1980 queer butch acts performed by black nightclub singers such as Storm DeLarverie instigator of the Stonewall riots 1910 1970 and the range of acts that compose contemporary drag king shows Heller highlights how in each case standard drag discourses do not sufficiently capture the complexity of performers intents and methods nor do they provide a strong enough foundation for holistically evaluating the impact of this work Queering Drag offers redefinition of the genre centralized in the performer s construction and presentation of a queer version of hegemonic identity and it models a new set of tools for analyzing drag as a process of intents and methods enacted to effect specific goals This new drag discourse not only allows for more complete and accurate descriptions of drag acts but it also facilitates more ethical discussions about the bodies identities and products of drag performers
