*Appetites and Anxieties* Cynthia Baron,Diane Carson,Mark Bernard,2012-11-01 Employs the foodways paradigm to analyze the ideological dimensions of food imagery and food behavior in fiction and documentary films Cinema is a mosaic of memorable food scenes Detectives drink alone Gangsters talk with their mouths full Families around the world argue at dinner Food documentaries challenge popular consumption centered visions In *Appetites and Anxieties* Food Film and the Politics of Representation authors Cynthia Baron Diane Carson and Mark Bernard use a foodways paradigm drawn from the fields of folklore and cultural anthropology to illuminate film s cultural and material politics In looking at how films do and do not represent food procurement preparation presentation consumption clean up and disposal the authors bring the pleasures dangers and implications of consumption to center stage In nine chapters Baron Carson and Bernard consider food in fiction films and documentaries from both American and international cinema The first chapter examines film practice from the foodways perspective supplying a foundation for the collection of case studies that follow Chapter 2 takes a political economy approach as it examines the food industry and the film industry s policies that determine representations of food in film In chapter 3 the authors explore food and food interactions as a means for creating community in Bagdad Caf while in chapter 4 they take a close look at 301 302 in which food is used to mount social critique Chapter 5 focuses on cannibal films showing how the foodways paradigm unlocks the implications of films that dramatize one of society s greatest food taboos In chapter 6 the authors demonstrate ways that insights generated by the foodways lens can enrich genre and auteur studies Chapter 7 considers documentaries about food and water resources while chapter 8 examines food documentaries that slip through the cracks of film censorship by going into exhibition without an MPAA rating Finally in chapter 9 the authors study films from several national cinemas to explore the intersection of food gender and ethnicity Four appendices provide insights from a food stylist a selected filmography of fiction films and a filmography of documentaries that feature foodways components and a list of selected works in food and cultural studies Scholars of film studies and food studies will enjoy the thought provoking analysis of *Appetites and Anxieties*      **Metafolklore** Alexander V. Avakov,2012-12 The book is organized in Folklore Units Each Folklore Unit has Context and may have one or more Metacontexts with citations of works of great philosophers or writers hence the title of the book is Metafolklore The book covers the life of immigrants from the USSR in the U S

remembers life in Russia and gradually concentrates on the modus operandi of the KGB FBI CIA NYPD NSA ECHELON Foreign Intelligence Surveillance Court AI and ISI It covers frontiers of legal theory of surveillance What distinguishes this book is the intensely personal account of the events and issues Third World Colonialism and Strategies of Liberation Awet Tewelde Weldemichael,2013 This book shows how Eritrea and East Timor developed sophisticated strategies to liberate their countries from colonialism and emphasizes that these insurgencies avoided terrorism **How Corporations Hurt Us All** Dan Butts,2003 The recent accounting and corporate scandals of Enron WorldCom Tyco K Mart and McWane producer of cast iron water and sewer pipes which has killed 9 workers and injured 4600 more with impunity since 1995 and other greedy and lawless billion dollar behemoths are just the tip of the iceberg relative to the serious and pervasive harm that corporations and greed are doing to people communities the earth and to our children s and grandchildren s future How Corporations Hurt Us All examines many crises including how Big Oil billion dollar weapons contractors and unaccountable private firms like DynCorps are continuing dangerous and immoral Cold War policies by driving multiple wars and military operations our collapsing corporate health care system that restricts free speech stifles public debate and manipulates public opinion to serve narrow corporate and political goals Some of the world s largest multinational corporations DExxonMobil 1 oil company Wal Mart 1 retailer HCA 1 hospital conglomerate Citigroup the world s 1 financial institution and other rogue operations are profiled in the book The good news is that there are effective approaches to all of these interrelated greed driven crises Even more hopeful are the corporate reform and global economic democracy movements representing thousands of dedicated citizens groups and millions of individuals throughout the world Yet what is ultimately necessary to reverse global economic social and environmental deterioration and eventual collapse insure world peace and security strength our weakened civil liberties and fulfill our human potential as the book explains is forging a broad consensus on a new bottom line or organizing principle for business and society Suiting Themselves Sharon Beder,2012-06-25 In this brilliantly researched expos communications Rottweiler Sharon Beder blasts open the backrooms and boardrooms to reveal how the international corporate elite dictate global politics for their own benefit Beder shows how they created business associations and think tanks in the 1970s to drive public policy forced the worldwide privatization and deregulation of public services in the 1980s and 1990s enabling a massive transfer of ownership and control over essential services and still not satisfied have worked relentlessly since the late 1990s to rewrite the very rules of the global economy to funnel wealth and power into their pockets Want a globalized and homogenized world of conflict poverty and massive environmental degradation run by a corporate oligarchy that wipes its feet on democracy Or a democratic world where poverty is history companies work for people and clean water is a right not a privilege you pay for Beder s message is clear it s your world and it s time to fight for it Postwar America James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and

rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes

**Media, Profit, and Politics** Joe Harper,Thom Yantek,2003 A compilation of essays and commentary delivered at the second annual Kent State University Symposium on Democracy this work recognizes and considers the differences that arise when the competitive forces of commerce clash with the demand for the open availability of information in a democratic society The conflicting roles of advocate initiator and objective reporter for journalists who cover community politics the role of the news media in forming public attitudes toward things political and their role in affecting voter nonparticipation the role of financial considerations in the news media s attempt to provide citizens with needed news and perspective on political affairs and particularly the role of the conglomeration of ownership of news media organizations are a few of the topics discussed in this volume

**Project Censored's State of the Free Press 2023** Mickey Huff,Andy Lee Roth,2022-12-06 As the United States grapples with the ongoing COVID 19 pandemic the nation s living legacy of systemic inequalities and partisan threats to the foundations of democracy the integrity of news the focus of Project s Censored s work and this book has never been more important State of the Free Press 2023 is a joint production of The Censored Press and Seven Stories Press State of the Free Press 2023 continues Project Censored s tradition of publicizing the most important stories ignored or obscured by the news establishment exposing the lies and spin of corporate Junk Food News frivolous stories that distract the public from actual news and News Abuse important stories covered in ways that undermine public understanding while promoting the best independent journalism research and activism Most importantly this edition helps endow readers with the critical media literacy skills required to hold power to account for distorting or censoring news coverage

**Volatile Knowing** Kaia Tollefson,2010-02-01 Volatile Knowing refers to the positive change that can result when parents and teachers talk together about the politics of school reform Based on a study of teachers and parents who researched aspects of the accountability movement typically censored in mainstream media Volatile Knowing reveals the hidden power behind current reform efforts that serve private not public interests It is aimed at provoking a new child centered movement for accountability and creativity in the nation s schools
