Centurian Enslaved Maid:

Masterful Maid Tames Bondage Slave!. ,197? Bernard finds more than he bargained for when a tall domineering woman answers his ad for a colored maid **The Fancy Maid Omnibus** Georgia Robins,2015-07-08 Black women White men Plantation Era Bundled erotica bonus books and stories Mas Theo was a handsome man I was older then him but still turned heads The Pemberton family had land up along the river But Theo stayed with me in the City much of the time He was meek and mild and did what I wanted I knew what would make him happy 8 2015 *The Fancy Maid* Georgia Robins,2015-01-12 Interracial Erotica Slave erotica short stories Partial contents The Slave Woman and the Young Master Mas Oliver bought me at a big auction and took me home He had an older slave woman Catty She told me I could be a fancy maid and not work in the fields no more I could be with a rich man Includes the bonus book Vickie and Her Sister Wives 1 2015 [The Correction of an Essex Maid](#) Y. Celbridge,1998-05-21 Orphan Sophia joins the House of Rodings a maids training school dedicated to the worship and correction of the naked female rear She thrives in the rules and punishments of the House but to receive her ultimate reward she must submit to the most feared correction of all *The Fancy Maid Bundle* Georgia Robins,2016-04-10 Black women White men erotica Includes bonus books My new master had a nice house in the city He wanted a Fancy Maid there Someone pretty someone smart someone who knew what White men wanted in bed My master was married His wife wanted me to know my place and give him anything he wanted You know a Colored whore But I knew how to get him to do right by me **Maid for Slavery** Peter King,2012-08-22 Molly Shannon wanted out of the small town she grew up in and could only rely on herself to achieve that goal Her father was dead and her mother had hooked up with an abusive boyfriend She fled her mother s home when she was eighteen Three years later even working two jobs she was no closer to having enough money to move away from the town She began looking for a better paying position and thought she had found it A job as a live in maid at Graves Manor the home of the owner of the town s glass factory and main employer She called and set up an interview She arrived at the family mansion ready to win over the owner and get the position She was thrilled when she was offered it even though it was a very strange interview Once inside the walls of the old mansion things got very interesting The job itself was very demanding and it taxed her stamina but a chance moment one night changed everything Molly witnessed another one of the maids having a kinky sexual liaison with the butler She saw things she never even thought about before but they stirred her so much so that she climaxed while watching them At first she thought she should ignore it but after seeing a couple of more trysts she became drawn to what she saw It flew in the face of morality as she knew it but it stirred her in ways she could not ignore Then after being less than cautious about her eavesdropping she was confronted with the Master of the house and his knowledge of her spying on his other employees She was given a choice leave immediately or join them She chooses to join them and starts an odyssey of sexual excess and complete subjugation entering the world of sexual slavery She tells this story from her own perspective It is how a seemingly

normal girl can transform into a possession a mere object designed to please a sadistic Master **Correspondence of a Slave Maid** Chris Fierte,2011 In the good old times you had the chance to get dizzy by opening a perfumed letter from your beloved These are bygone days today you become digitally acquainted with anybody fast as lightning and often these persons disappear again with the same speed In the deepness of the internet yet another Kafkaesque species exists You can have an exchange of emails for months or even years without getting the chance to catch such a phantom by daylight This can be fun but what do you do when it seems to be too real Especially if you are a Master one of the kind who knows that dominance not only means respect and obedience but also huge responsibility When your experience tells you that what you read is strange but possible If suddenly third parties get involved and you realize that you lost control Ask yourself what you would have done when reading this book It is the story of a slave maid a chance acquaintanceship in her own words out of her universe
