Munsey's Magazine for ... ,1898 *Jesuit Superior General Luis Martín García and His Memorias* David G. Schultenover, S.J.,2021-05-12 Fr Luis Martín García was superior general of the Society of Jesus during one of the most fractious periods in western history from 1892 to his death in 1906 Fortunately for both the church and his order he was endowed with remarkable gifts of mind and spirit He was also troubled with personal challenges that he had to face almost entirely on his own As an aid he kept a memoir prodigious in both size and content to be published posthumously The memoir appeared in a critical Spanish edition in 1988 In this present book David Schultenover provides a condensed English version of it along with an interpretation that engages the question why would a Jesuit superior general leave to posterity such a candid memoir The subtitle Showing Up provides a clue *American Illustrated Magazine* ,1898 Pearson's Magazine ,1896 American Farmer Magazine ,1898 **Travel Magazine** ,1915 **The Constantinian Order of Saint George** Guy Stair Sainty,2018-12-01 According to legend the Constantinian Order is the oldest chivalric institution founded by Emperor Constantine the Great and governed by successive Byzantine Emperors and their descendants While this chronology was supported by multiple writers even into the twentieth century it has little historical basis Nonetheless the Angeli Farnese and Bourbon families which held the Grand Mastership could legitimately claim Byzantine imperial descent albeit in the female line and the Order's cross replicates that seen by Constantine in the vision recorded by both Lactantius and Eusebius writing very soon after Maximian's defeat at the battle of the Milvian Bridge The Order's emergence in the middle of the sixteenth century when Christian Europe was under assault from a militant Ottoman empire gained Papal support almost immediately and by the end of the seventeenth century the Order had members across the Italian peninsula in Spain Bavaria Austria and Bohemia Croatia and Poland Today the majority of the Order's members are found in Italy and Spain but there are also members in Portugal France Belgium Great Britain and Luxembourg with smaller groups in the Netherlands Germany and Sweden as well as an expanding membership in the United States This work examines the conversion of Constantine and the histories of the Angeli Farnese and Bourbon Grand Masterships with extensive reference to hitherto unpublished documents in the Vatican archives and in the Farnese and Bourbon archives in Naples These serve to confirm the close relationship the Order had with the Church and the high regard in which it was held by successive Popes as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty This unique status has enabled its hereditary Grand Masters to maintain this dignity after the absorption of the former Kingdom of the Two Sicilies into a united Italy The Order's autonomy coupled with the Grand Master's close links to the Spanish Crown has meant that Spanish and Italian citizens as well as the citizens of several other states which have accorded the Order recognition may obtain official permission to wear the Order's decorations 2018 is the three hundredth anniversary of the Papal Bull *Militantis Ecclesiae* which confirmed and approved the previous Papal acts concerning the Order and laid out the rights and

privileges of the Order its Grand Masters and members In the early 20th century Pope Saint Pius X and Benedict XV conferred further privileges on the Order approving the statutes while the then future Pope Pius XII had been admitted to the Order in 1913 Today the Order is engaged in works of charity in conformity with the Church's teachings and includes among its members some thirteen Cardinals as well as some thirty members of reigning or former reigning families
