Critical Perspectives On Safeguarding Children:

Critical Perspectives on Safeguarding Children Karen Broadhurst,Chris Grover,Janet Jamieson,2009-08-20 A critical and evidence based review of current and future child protection policy and practice Provides evidence based perspective with an up to date overview of policy and practice Covers several disciplinary boundaries Goes beyond mere description to enable engagement in critical analysis of various policy areas as they relate to children and families

Social Work with Children and Families Steve Rogowski,2016-04-20 Professional social work has changed considerably over the last forty years coinciding with the demise of the social democratic consensus of the post war years and the emergence and now domination of neoliberalism Rather than the state through the government of the day ensuring citizens basic needs were met via the welfare state the belief in free market economics entails people having to be self reliant and self responsible This has involved social work with children and families moving from a helping and supportive role to one that is more authoritarian this often involving telling parents to change their behaviour and lifestyle or face the consequences This book outlines the development of social work with children and families over the period in question drawing on the author s unique practice experience and his extensive writings It charts the highs and lows of social work the latter including the dominance of managerialism which emphasises speedy completion of bureaucracy so as to ration resources and assess manage risk Despite this the argument is for a critical practice which addresses service users immediate needs while simultaneously aiming towards a more socially just and equal society This book is essential reading for everyone interested in social work including academics students practitioners and managers both in the UK and overseas Social care and allied professionals more generally will also find it insightful as will academics students and educators of social policy and related disciplines

Re-imagining Child Protection Brid Featherstone,Kate Morris,Susan White,2014-04-14 Raising a number of critical questions Brid Featherstone Susan White and Kate Morris challenge a child protection culture that they see as becoming increasingly authoritarian Calling for a family minded practice of child protection they argue that children should be understood as relational beings and that greater sensitivity should be paid to parents and the needs they have as a result of the burdens of childcare They argue that current child protection services need to ameliorate rather than reinforce the many deprivations that parents engaged in their systems face Bringing together authors who combine a wealth of experience in both scholarship and practice this book provides a sensitive reassessment of a critical point of contact between governments and families

Critical Perspectives on Child Sexual Exploitation and Related Trafficking M. Melrose,J. Pearce,2013-09-05 This volume is the first major exploration of the issues relevant to young people who are affected by sexual exploitation and trafficking from a variety of critical perspectives Issues include accommodation gangs migrant and refugee communities perpetrators international policy and the language through which we construct child exploitation
