**Crop Circles and Climate Change** Jerry Lesac, 2008. Of all of the arguments ever given by science regarding faith and religion, that it is really nothing more than conjecture and it would be that God can't be observed to exist. Looking at the topic of climate change and what we are presented with is something altogether different. For according to the bible, it makes no bones about the fact that when it comes to the weather, it is Almighty God who is ultimately responsible for it all. Industrial pollution, however, it may aggravate the environment in which we live, is not the real reason behind what is happening. Rather, it has got everything to do with another kind of pollution that the bible calls SIN. This is what is really happening to our weather, and by all appearances, these crop circles now, and it is reaching a place wherein, like Noah's generation, could have some serious implications for our own. Jerry Lesac is a cook by trade and a layman in the church. Considered by many to have the gift of a prophet, he comes to the bible with a unique perspective, born not out of any formal education, but rather taught by God. In fact, if there was one scripture that could possibly sum up this man's life, it would have to be what St Paul said to young Timothy: Do not neglect your gift, which was given you through a prophetic message. 1 Tim 4:14. That and perhaps what St John said as well: As for you, the anointing you received from Him remains in you, and you do not need anyone to teach you. But as His anointing teaches you about all things, and as that anointing is real, not counterfeit, just as it has taught you, remain in Him. 1 John 2:27.

The Truth Agenda Andy Thomas, 2014-12-10. The Truth Agenda explores some of the most famous unexplained mysteries and global cover-ups of recent history: What is the truth about UFOs, pyramids, religious apparitions, psychic phenomena, visions of the future, and ancient prophecies, and what is their connection to famous conspiracy theories concerning the Moon landings, 9/11, the New World Order, and claims that the planet is secretly run by a powerful ruling elite. Leading mysteries researcher Andy Thomas pulls the many threads together in an accessible, stimulating, and credible overview, which suggests that our world may be very different from the picture presented by the establishment. The Truth Agenda shows how we can avoid control manipulations and help to create a more positive future. Why do so many people believe in conspiracy theories, and what is the evidence to support them? What is the basis for the wide belief that we are now in a New Era of massive change and consciousness shift? Why is there such huge but officially undeclared interest in paranormal phenomena from authorities and religions? How does all this tie together and explain the agendas of control and surveillance in the West, and what can we do?

**There Were Giants on the Earth in Those Days... and Also After That** Roberta Sams, 2015-01-26. What I appreciate about *There Were Giants on the Earth in Those Days and Also After That* is that it is not only intelligible but is enjoyable to read. It doesn't require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers. It tells what is going to happen in the future. The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden. It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ. Subjects like giants in the land, the flood, false religions, Islam, secret societies, UFOs and others are discussed. The Federal Reserve and HAARP by which they are trying to control the weather, the Rapture, the new world order, the mark of the beast and the Antichrist are all dealt with according to the Word of God. I recommend the entire book be read in order to experience the benefits of the author's laborious efforts to cover the past, the present and the future of our world. Rev. David Lathrem, associate pastor, Lee Boulevard Baptist Church.

*Divination of God* Shelley Kaehr, 2005-09. The author discloses the history and uses of an obscure ancient divination tool which she writes is the only authorized form of divination in the Bible. Dr. Kaehr explores the origins of this method and teaches readers how they can search for these materials and work with them.
