Crossing Over The Stories Behind The Stories:

Crossing Over John Edward, 2010-09-07 John Edward takes his fans with him on the extraordinary journey that has been his life. In the style of his TV show and personal appearances poignant, funny, and remarkably candid, John Edward deals head-on with the controversial issues he has confronted on his voyage as a psychic medium. On his way to success and fame, John had to learn his own lessons about the meaning of his work, the motivations of some of the people he encountered, and the spirits who accompanied them. Through his very personal stories, John has brought peace and insight to those grieving for their loved ones, but what makes Edward's memoir unique is how readily he exposes his own vanities and ego bruising. In addition, he provides a behind-the-scenes look at being a television medium, offering an amusing and at times disturbing look at how the ethereal world clashes with the celebrity world. John Edward's wit, warmth, and passion will captivate readers just as it has riveted the millions who view his landmark program. **Crossing Over** John J. Edward, 2002 Born Knowing

John Holland, 2003-02-01 DISCOVER YOUR PSYCHIC ABILITIES AS YOU READ JOHN'S FASCINATING STORY. In Born Knowing, psychic John Holland explains in his open and candid way how he dealt with his conflict by coming to terms with and finally accepting his rare ability as a spirit messenger who helps people connect with those who have passed on. Born in the tough suburbs of Boston, John coped with a difficult childhood where he was ridiculed by his family and society, leaving him feeling isolated because of his psychic abilities. He refused to acknowledge his gift until a near-fatal automobile accident amplified his skills to the point that he had to learn how to control what was once pushed away. Drawn by the history and knowledge of spiritualism in England, John went on a two-year journey throughout Great Britain. He tells the story of his training in the British spiritualist organizations and his time at Arthur Findlay College, an institution for psychic studies that John refers to humorously as Spirit Boot Camp. He goes on to explain how he gained acceptance and respect within this tightly knit, often conservative spiritual community. Throughout Born Knowing, John presents real-life case studies where he discusses his readings with clients, the effect on their lives, and the sense of closure people feel knowing that their loved ones who have passed on are still with them. The book will also help you discover and develop your own psychic and intuitive abilities, recognize signals from the Other Side, and make spiritual connections for yourself. **Capping Costs** Gerard
