Crossing The Unknown Sea Work As A Pilgrimage Of Identity:

Crossing the Unknown Sea David Whyte, 2002-04-02 Crossing the Unknown Sea is about reuniting the imagination with our day to day lives It shows how poetry and practicality far from being mutually exclusive reinforce each other to give every aspect of our lives meaning and direction For anyone who wants to deepen their connection to their life s work or find out what their life s work is this book can help navigate the way Whyte encourages readers to take risks at work that will enhance their personal growth and shows how burnout can actually be beneficial and used to renew professional interest He asserts that too many people blindly trudge through a mediocre work life because so many busy tasks prevent significant reflection and analysis of job satisfaction People often turn to spiritual practice or religion to nurture their souls but overlook how work can actually be our greatest opportunity for discovery and growth Crossing the Unknown Sea combines poetry gifted storytelling and Whyte s personal experience to reveal work s potential to fulfill us and bring us closer to ultimate freedom and happiness

Crossing the Unknown Sea David Whyte, 2001-11-30 Our greatest opportunity for discovery growth is in the thing we most often want to get away from our work It s where people spend the majority of their time much of it wishing they were somewhere else doing something else And it s where people often spend their time not being present not being themselves This book is about reawakening the sleeping captain in us before that soul crashes on the rocks It takes us on the holiest of pilgrimages to the center of identity the roots of growth Whyte brings a new practicality to finding fulfillment nurturing our deepest identities at work This unique blend of poetry gifted storytelling personal experience is wrapped in Whyte s lyrically inspired powerful prose A life changing work

Crossing the Unknown Sea David Whyte, 2001 An exploration of work as an opportunity for discovering and nurturing our deepest selves We spend most of our time in the workplace and what holds us back at work is what will hold us back the longest in terms of our personal development A blend of poetry story telling and experience this book is about how we find fulfillment through work The text applies the stages of a pilgrimage to the process of seeking identity through the unknown sea of work

Enduring Ministry Samuel D. Rahberg, 2017-01-15 For many Christian leaders the experience of ministry includes enough conflict and disappointment to soon wear off the patina of one s initial enthusiasm And yet relief and renewal seems too often out of reach What happens in this season of ministry is more than a matter of whether or not a Christian leader can persist It is in fact possible for a person to engage the call to maturity at the juncture of discipleship and leadership Enduring Ministry is designed for those who seek this more durable way forward one that is infused with grace and inspired by good mission In Enduring Ministry Samuel Rahberg draws on insights from the monastic tradition the ministry of spiritual direction and the practice of Christian leadership to support and empower women and men for continued ministries in the church helping them turn from merely enduring to lasting effective and vibrant Christian leadership
