The Sacred Scriptures - Vol. II (Part 1/2) Johannes Biermanski, 2016-12-16 The objective of The Sacred Scriptures by John Biermanski is to revoke all falsifications in today's Bibles known so far in the Old and New Testament and to restore the original state of the verses as far as possible In the present work you will find The Acts of the Apostles to The Letter of Paul the Apostle to Philemon in which the verses are written in German and English as well as an appendix with various elaborations and statements etc see the table of contents There is both a German and an English edition in which the attachments are available in the respective selected language This is an English edition The author was born in 1963 in North Rhine Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company In the course of his professional development he used to be a freelancer but was also officially employed he has experienced a lot rises and falls throughout his life While studying the Scriptures he was led by the Spirit of the only God the Almighty and the only Holy Father in heaven whereas by grace he could recognize many things that are now presented as heresies to the world In recent years he has been active in the proclamation of the Word of YAHWEH Elohim G d in Europe Canada particularly in Brazil South America and has enlightened many people by his message so that they get to know the true God His holy name and His will and only obey Him Exodus 20 2 11 Leviticus chapter 19 and 23 etc and start to think about all this i e so that they finally decide themselves in favour of the living Elohim G d YAHWEH instead of against Him and their names are not erased from the divine Book of Life forever
