

The Crucible Act III Questions (Answered Spring 2023.)

Why do Giles and Francis want to talk to Danforth? ✓✓ They want to persuade the judge that their wives are good women, not witches.

What is Parris's argument against Proctor? ✓✓ That Proctor is trying to overthrow the court.

What does Mary tell Danforth? ✓✓ "It were pretense, sir." The girls have been lying.

When Danforth hears that Elizabeth is pregnant, what does he allow? ✓✓ He allows her time to see if her "natural signs" appear. If they do not, and she is truly pregnant, he will allow her one year before she is hanged, to have her baby.

What paper did ninety-one people sign? ✓✓ That Rebecca, Elizabeth and Martha were all good, upstanding, God-loving citizens.

". . . a person is either with this court or he must be counted against it, there be no road between." Explain the importance of Danforth's statement. ✓✓ Either people were witches or they weren't. There was no room for "appearances." If one opposed the court, one would be in contempt. There was no room for error on the part of the court and no room for question or correction of the court.

What quote did Proctor use to help Mary remain brave? ✓✓ "Do that which is good, and no harm will come to thee."

Of what does Giles accuse Putnam? ✓✓ He accuses him of killing his neighbors for their land.

What is Hale's problem as Proctor and his friends present evidence to Danforth? ✓✓ That the people who had been accused and sentenced so far could very well have been innocent.

What test does Hathorne think of for Mary? Can she do it? Why or why not? ✓✓ He asks Mary to faint, as she fainted in the courtroom. No, she can't do it in front of Hawthorne on demand. She says that she was able to in the courtroom because the mood was set and she got caught up in the mood with the other girls, which enabled her to do it there.

Proctor calls Abigail a "*****", and he confesses his lechery. Danforth tests Proctor's statement by calling for Elizabeth and asking her why Abigail was dismissed. What does Elizabeth say? Why? ✓✓ She lies to protect John, saying she only thought he had "turned" from her.

Crucible Act 3 Active Guide

John Gillett

Crucible Act 3 Active Guide:

The Crucible - Literature Kit Gr. 9-12 Chad Ibbotson, 2016-12-14 Step back in time to 1692 in Salem Massachusetts and experience the corruption and ignorance of the Salem witch trials Our resource is easily customizable allowing educators to pick and choose elements to meet their needs Focus on vocabulary comprehension by matching words from the text to their definitions Test student understanding of the play by asking students to fill in the dialog with the missing words from the scene Expand critical thinking skills with short answer opinion questions Supplement an existing unit with in depth writing tasks such as evaluating Reverend Hale s waning confidence in witchcraft that takes place throughout the play Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel The Crucible is the award winning play written by Arthur Miller about the Salem witch trials of 1692 One night in Salem Massachusetts a group of girls are caught dancing in the woods by Reverend Parris His own daughter falls into a coma soon after and the town is ablaze with talks of witchcraft The Reverend sends for Reverend Hale to examine the girl for witchcraft Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil A trial ensues causing those accused to either deny these allegations or confess thus accusing someone else This cycle finally culminates in the death of several innocent townsfolk The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance

Crucible of Reason Keith David Wyma, 2004 Weakness of will seems to be an inherent part of the human condition We know what we ought to do and how often we knowingly willingly fall short in actual practice How can this be explained and what challenges does it present to systematic explanations of intentional actions In this clear incisive and well written inquiry philosopher Keith Wyma subjects the thought of three prominent intentional theorists R M Hare Donald Davidson and Thomas Aquinas to the crucible of reason to see whether and how they can account for weakness of will Wyma is careful to clarify which actions count as incontinent or the result of weakness of will they must be performed intentionally even as they are judged as something that ought not to be done His in depth study of Hare Davidson and Aquinas on this important issue is a major contribution to understanding practical rationality and intentional action *Kamarathin: Kingdom of Tursh* Jason Yarnell, 2009-02-01 Kamarathin Kingdom of Tursh is the first world book published for D3 Games flagship game world of Kamarathin Kamarathin is a low dark fantasy game world dedicated towards the Hero System by HERO Games but easily adaptable to any game system Acting Stanislavski John Gillett, 2014-02-13 Stanislavski was the first to outline a systematic approach for using our experience imagination and observation to create truthful acting 150 years after his birth his approach is more widely embraced and taught throughout the world but is still often rejected misunderstood and misapplied In Acting Stanislavski John Gillett offers a clear accessible and comprehensive account of the Stanislavski approach from the actor s training to final performance exploring ease and focus the nature of action interaction and

objectives the imaginary reality senses and feeling active analysis of text physical and vocal expression of character the actor in the context of training and the industry Drawing on Stanislavski's major books in both English translations and on records of his directing process and final studio classes Acting Stanislavski demystifies terms and concepts It is for actors from an actor's point of view and offers many practical exercises and examples as an integrated part of each subject Acting Stanislavski also creates an up to date overview of the Stanislavski approach connecting his legacy with the work of his successors from Michael Chekhov to Meisner Adler and Strasberg A new extended and fully updated edition of Acting on Impulse Reclaiming the Stanislavski Approach Methuen Drama 2007 Acting Stanislavski now includes new exercises and biographies a further chapter on The Character and an expanded glossary along with many other additions to the previous chapters It is an essential practical and educational resource for any acting student professional or teacher Country Guide and Nor'west Farmer ,1927 **A Text-book of Experimental Chemistry** Edwin Lee,1908 Sessional Papers Great Britain. Parliament. House of Commons,1908 *Romanian Crucible* Gheorghe Buzatu,Kurt Treptow,2023-02-21 The trial of Corneliu Zelea Codreanu leader of the Legionary Movement in Romania marked a critical moment in the history of the country between the two World Wars It destroyed the last vestiges of democracy and laid the groundwork for the establishment of the royal dictatorship by Carol II Romanian Crucible presents the transcript of the trial for the first time in English translation edited and accompanied by an introductory study by two leading specialists on Romanian history Gheorghe Buzatu and Kurt W Treptow The book also contains a series of appendixes which include journal entries from Codreanu in prison Seeding Solutions Crucible II Group,2000 *The Crucible of Consciousness* Zoltan Torey,2009-04-17 An interdisciplinary examination of the evolutionary breakthroughs that rendered the brain accessible to itself In The Crucible of Consciousness Zoltan Torey offers a theory of the mind and its central role in evolution He traces the evolutionary breakthrough that rendered the brain accessible to itself and shows how the mind boosted brain works He identifies what it is that separates the human's self reflective consciousness from mere animal awareness and he maps its neural and linguistic underpinnings And he argues controversially that the neural technicalities of reflective awareness can be neither algorithmic nor spiritual neither a computer nor a ghost in the machine The human mind is unique it is not only the epicenter of our knowledge but also the outer limit of our intellectual reach Not to solve the riddle of the self aware mind writes Torey goes against the evolutionary thrust that created it Torey proposes a model that brings into a single focus all the elements that make up the puzzle how the brain works its functional components and their interactions how language evolved and how syntax evolved out of the semantic substrate by way of neural transactions and why the mind endowed brain deceives itself with entelechy type impressions Torey first traces the language linked emergence of the mind the subsystem of the brain that enables it to be aware of itself He then explores this system how consciousness works why it is not transparent to introspection and what sense it makes in the context of evolution The consciousness revolution and the integrative focus of

neuroscience have made it possible to make concrete formerly mysterious ideas about the human mind Torey's model of the mind is the logical outcome of this highlighting a coherent and meaningful role for a reflectively aware humanity
