Mythology is a collection of classic myths from all over the Celtic world from Scotland to Ireland to the Isle of Man to Wales and all the way to Brittany These stories tell of the pride of warriors the magic of gods and wars between clans They tell of savage beasts and deadly chariots of love lost and found and of friendship and loyalty An historical introduction explains who the Celts were describing their beliefs and customs and a Finding out more section provides you with the tools you need to discover even more about this incredible civilisation and their beliefs      **Celtic Mythology** John Arnott MacCulloch,1918

This historic book may have numerous typos missing text images or index Purchasers can download a free scanned copy of the original book without typos from the publisher 1918 Not illustrated Excerpt SLAVIC MYTHOLOGY CHAPTER I BELIEF IN SOUL AND GENII IN Slavic belief the soul is a being quite distinct from the body which it is free to leave even during life so that there are many stories of human souls coming forth from the bodies of sleeping persons and either dwelling in trees or in the shape of white birds fluttering about in the world and finally returning to their normal habitations It is inadvisable to go to bed thirsty lest the soul wearied by its search for water may weaken the body If a man faints his soul leaves his body and uneasily flutters about the world but when it returns consciousness is likewise restored Some individuals have lain like dead for three days during which time their souls dwelt in the other world and beheld all that might be seen either in heaven or in paradise A soul which leaves the body when asleep and flies about in the world is called Vjedogonja or Zduh Zduhacz Spirit by the Serbs and not only the souls of sleeping persons but even those of fowls and domestic animals such as cats dogs oxen etc may be transformed into Zduhaczs These genii regardless of nationality sex or age assemble on mountain tops where they battle either singly or in troops the victors bringing to their countrymen a rich harvest and success in breeding cattle but if a man s soul perishes in this fight he will never awake In Montenegro a distinction is drawn between Zduhaczs of land and sea the former causing drought and the latter rain so that the weather depends on which of these two wins A sudden storm points to a battle among such Zduhaczs but in all other respects these genii are considered good and sensible and stand in high repute The Montenegrins personify the soul as Sjen or Sjenovik Shado

**Encyclopedia of Giants and Humanoids in Myth, Legend and Folklore** Theresa Bane,2016-05-12 Every culture has in its folklore and mythology beings of immense size and strength as well as other preternatural humanoids great or small who walk among us serving the divine or fulfilling their own agendas This book catalogs the lore and legends of more than 1 000 different humanoid species and individual beings including the Titans Valkyries Jotnar y kai biblical giants elves ogres trolls and many more

**Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore** Theresa Bane,2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world

Monsters and Creatures Gabiann Marin,2018-07-18 Experience the exhilaration and danger of emergency trauma where a few seconds can mean the difference between life and death but also the raw beauty vulnerability and remarkable resilience of the human spirit We expect our heroes to be superhuman remaining calm controlling their emotions and thinking and acting clearly however the emotional depth of these stories will reveal a whole other side Sandy is just like you only she is at the wheel of an ambulance with life and death in her hands every day Without shying away from the trauma she shows the reader just how much a life deeply grounded in love can offer Sandy's unique perspective as paramedic with the NSW Ambulance Service will open your mind awaken your heart and shine a light in some very dark places *Encyclopedia of Mythological Objects* Theresa Bane,2020-06-22 Curious about the chains that bound Fenriswulf in Norse mythology Or the hut of Baba Yaga the infamous witch of Russian folklore Containing more than one thousand detailed entries on the magical and mythical items from the different folklore legends and religions the world over this encyclopedia is the first of its kind From Abadi the named stone in Roman mythology to Zul Hajam one of the four swords said to belong to the prophet Mohammed each item is described in as much detail as the original source material provided including information on its origin who was its wielder and the extent of its magical abilities The text also includes a comprehensive cross reference system and an extensive bibliography to aid researchers Armageddon Again John Bliss,2011-05 Join author John Bliss in his theological study Armageddon Again Where Have We Been and Where Are We Headed and discover the hidden truth about the many wonders of the world Learn the basics for pursuing our destiny through revealing our past and the three worldwide cataclysmic periods fire ice and water Whether you are a novice to theology or a scholar this book will unlock your inner curiosity about religion and our future Armageddon Again suggests that we are on the cusp of one final period of fire as stated not only in Scripture but countless other ancient reports Ancient records detail that Satan misguided man through cataclysmic events to incorporate an advanced and technological way of life that led them away from God Proof is scattered across our planet that ancient civilizations were more technologically advanced than we are today and built what Bliss calls Wonderworks magnificent stone structures and drawings etched into the earth's landscape Armageddon Again is the key that opens the door to our hidden past and certain future that is critical for all of mankind to know Everybody on the face of the planet regardless of their religion must realize that we are all bonded by the same history that draws us to the Divine This history has been hidden from us by Satan in order to keep us from being in union with our heavenly Father This union is the catalyst to not only usher in Jesus as King on Earth but to also save those from the final cataclysm of fire that Scripture and other cultural texts warn us about Once these revelations are brought to light we will have no choice but to change how we live both physically and spiritually John Bliss resides in Center Line Michigan with his wife Mary They have four children and are blessed with three grandchildren who live in Vancouver Washington *The Encyclopedia of Celtic Mythology and Folklore* Patricia Monaghan,2014-05-14 Presents an illustrated A to Z reference containing over 1 000 entries providing

information on Celtic myths fables and legends from Ireland Scotland Celtic Britain Wales Brittany central France and Galicia  
*Bulletin [1908-23]* Boston Public Library,1920      **Encyclopedia of Fairies in World Folklore and Mythology** Theresa Bane,2013-08-28 Fairies have been revered and feared sometimes simultaneously throughout recorded history This encyclopedia of concise entries from the A senec ki waku of northeastern North America to the Zips of Central America and Mexico includes more than 2 500 individual beings and species of fairy and nature spirits from a wide range of mythologies and religions from all over the globe      *King Arthur and the Gods of the Round Table* David Dom,2013-04-14 Did King Arthur really exist The oldest manuscripts refer to him as a Lord of Battle who emerged soon after the Roman Empire crumbled But what would be the origin of all these stories that turned a war leader into a king an emperor a legend even a god What if Arthur was really a deity similar to Zeus and Odin with his roots in the rich Celtic mythology of the British Isles A study of Arthurian myths reveals Britain s most legendary king as an ancient Sun God known by many different names in the myths of Wales and Ireland Even his Knights of the Round Table and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth sea and sky Their survival in Arthurian legend stands as a shining testament of a story far more ancient but by no means lost to us      **Celtic Mythology** Q. L. Pearce,2014-10-06 Introduce your readers to the mythology of the ancient Celts This book describes how the Celtic myths came into being with particular focus on the myth of King Arthur The book includes a family tree a chart of gods and characters with brief descriptions and pronunciations and a list of sources for further research      American Reference Books Annual Bohdan S. Wynar,2005 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering      *In Nature's Honor* Patricia Montley,2005 In Nature s Honor explores the eight solar holidays that mark the turning of the Wheel of the Year Each chapter begins with a history of the holiday the ways in which it has been celebrated from ancient to modern times its relationship to other religious and secular celebrations and its cultural and mythological foundations This history is followed by recommendations for specific activities to celebrate the season that individuals families or small groups can enjoy The chapters conclude with formal rituals suitable for use in larger faith communities These include scripted narration songs dramatic enactments litanies of seasonal blessings readings from poetry and mythology and suggestions for ceremonial food In Nature s Honor reconnects the modern spiritual seeker with the earth centered practices of our ancestors This work explores the seasonal rituals that celebrate the earth and our connection to it which is not just physical but profoundly spiritual FROM THE AUTHOR From the Authorz In writing this book I discovered the most important theme running through the history of rituals related to the earth s seasons is renewal The wheel turns and the old season gives way to the new the old year to the new the old life to the new Each planting of seeds promises new possibilities Each harvest brings sustenance for yet another year Each fallow time regenerates the life of the soil The sun deities retreat and return The grain goddesses are lost and restored The vegetation gods die and rise again The cycle of life goes on and on birth after death after birth

Perhaps what all the rituals celebrate is this ongoingness of life the miraculous natural world that makes it possible and our abiding connection to it For the ancients the interdependence was clear When the people fasted on the eve of a new season's beginning they purified not just their own bodies but the land itself The fires that encouraged the fecundity of the land also made its people fertile For us moderns distanced from the earth by technology the interdependence is not as clear And we are paying the price in polluted air and water in soil erosion in deforestation in global warming How different the condition of the planet might be if we allowed ourselves to be renewed at each turning of the wheel of the year if we took the time periodically to celebrate the beauty and bounty of nature

**Fantasy Literature and Christianity** Weronika Łaszkiewicz, 2018-10-04 The debate surrounding the Christian aspects of C S Lewis's The Chronicles of Narnia J R R Tolkien's The Lord of the Rings Philip Pullman's His Dark Materials and J K Rowling's Harry Potter has revealed not only the prominence of religious themes in fantasy fiction but also readers' concerns over portrayals of religion in fantasy Yet while analyses of these works fill many volumes other fantasy series have received much less attention This critical study explores the fantastic religions and religious themes in American and Canadian works by Stephen R Donaldson Chronicles of Thomas Covenant Guy Gavriel Kay Fionavar Tapestry Celia S Friedman Coldfire Trilogy and Brandon Sanderson Mistborn References to biblical tradition and Christian teachings reveal these writers' overall approach to Christianity and the relationship between Christianity and the fantasy genre
