

Certified Occupancy Specialist

The nation's foremost course on HUD occupancy guidelines and regulations

Certified Occupancy Specialist (COS) is a comprehensive study of HUD guidelines and regulations set forth in HUD Handbook 4350.3, including rent calculation, eligibility, rent rules, recertification, tenant screening, and Fair Housing.

Who should attend: Individuals, both experienced and new to HUD housing, responsible for HUD compliance.

OVERVIEW

HUD's efforts to transform the affordable housing industry have resulted in a myriad of new rules, regulations, and standards. NCHM's COS, the most widely sought certification in the affordable housing industry, is the definitive training for compliance at properties falling under the umbrella of HUD Handbook 4350.3 Rev. 3.

WHAT YOU WILL LEARN

The course covers all core occupancy standards, including eligibility, MFL/Housing assets and income determination and calculation, allowances and adjusted income, verifications, annual and interim recertifications, listing and special claims, and tenant rules. The COS Handbook incorporates HUD Handbook 4350.3 Rev. 3, Change 2 (July, 2007) in its entirety and addresses important changes, such as new rules for income calculation and allowances, new procedures for reporting to the Department of Homeland Security, and much more.

Instruction is delivered through lecture and an integrated multimedia presentation. Training notes, coordinated with the multimedia presentation, facilitate participants' preparation for the certification examination.

Comprehensive grading of the exam results allows each participant to see their numeric score, relative standing, and a detailed breakdown of their strengths and weaknesses. Participants with passing scores will earn a COS certificate; others will receive certificates of participation.
