Hermeneutical Jesus is a study in how reading documents referring to Jesus influences conclusions as to who Jesus was as a figure in history In this book author Robert B Stewart leads his readers through the projects of two of the most important and influential scholars in the field of historical Jesus research in order to show his readers how the philosophical presuppositions and hermeneutical methods of Crossan and Wright impact their respective historical conclusions concerning Jesus There is arguably no more important question in religious studies than what can we know about Jesus Stewart takes on the task of filling the void in this area by addressing how hermeneutics influences history In addition to highlighting the work of two great scholars Stewart also provides a useful introduction and guide through much of the maze of contemporary literary criticism Book jacket *An Analysis of N.T. Jesus and Time Ma'afu Palu, 2012-05-03 This work offers an examination of Jesus' conception of time on the basis of Mark 1:15 Palu contends that the background which makes Mark 1:15 most intelligible is God's covenant with day and night which is established in the act of creation specified in prophetic eschatology and developed in Second Temple literature it is God's commitment to give day and night in their appointed time promising the restoration of Israel under David's offspring On the basis of recent developments in scholarly literature concerning the Greek verbal aspect this study argues that the perfect verbs in Mark 1:15 denote an ongoing dynamic of time fulfillment closely tied to the ultimate restoration of Israel This begins with the appearance of Jesus during the days of John the Baptist and is mapped onto two phases of the horizon of Jesus' view of time Palu concludes that the biblical notion of time is to be tied intimately to the hope of the restoration of Israel ultimately manifested as the establishment of the Kingdom of God The New Testament and the People of God N. T. Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original

the Quests for the Historical Jesus, Volume 1 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

Lo, I Tell You a Mystery David A. Ackerman, 2006-02-01 The divine mystery as interpreted by Paul offers transformation The believer who identifies with the death and resurrection of Christ by putting to death the old way of life Rom 6 5 11 Gal 2 20 enters into a new sphere of influence characterized by intimate fellowship with Christ One who is in this sphere is free from the snare of Adam and the world and is no longer bound by the power of sin and death The divine mystery also offers a new source of power by the indwelling Holy Spirit The Spirit brings gifts to those in Christ that enable them to function as community The highest and most significant of these is love which brings diversity together into unity The indicative is that the Spirit graces believers with love The imperative is that they should follow after the example of Paul and hence Christ in loving others The divine Spirit is described as holy and makes holiness possible for those in Christ The indicative is that fellowship with Christ is possible because of redemption The imperative is that Christ demands loyalty which cannot be shared with any other particularly with prostitutes who represent the ways of the world or idols that open

doors for demons from the Conclusion *Reality and Illusion in New Testament Scholarship* Ben F. Meyer, 2016-07-15

Reality and Illusion in New Testament Scholarship is a basic introduction to the theory of interpretation and theory of history for New Testament readers students and scholars It offers an entry into the thought of the late great Bernard Lonergan on insight and judgment subjectivity and objectivity horizons and changes of horizon alienation and ideology It focuses on what it takes to measure up to the literature of the New Testament Book jacket **The Death of Jesus** Alexander J. M.

Wedderburn, 2013 The death of Jesus and its interpretation present both exegetes and theologians with a puzzle For Jesus himself seems to have left his followers few clues and the story of his passion is ambivalent embracing both his reluctant self surrender in Gethsemane and his reproachful cry on Golgatha Some of the various motifs and images used by his followers to explain this event were taken over by Paul despite the opposition he saw between the message of the cross and any human wisdom Yet what meaning do two of the central themes of his soteriology the corporate representative role of Christ and the language of righteousness and justification hold for us today Or does Paul offer just as little help here as Jesus himself did
