Critical Reflections On Audience Narrativity New Connections New Perspectives:

Critical Reflections on Audience and Narrativity Valentina Marinescu, 2014-09-01 **Communication Yearbook 40** Elisia L. Cohen, 2016-05-05

Communication Yearbook 40 completes four decades of publishing state of the discipline literature reviews and essays In the final Communication Yearbook volume editor Elisia L Cohen includes chapters representing international and interdisciplinary scholarship demonstrating the broad global interests of the International Communication Association The contents include summaries of communication research programs that represent the most innovative work currently Emphasizing timely disciplinary concerns and enduring theoretical questions this volume will be valuable to scholars throughout the communication discipline and beyond *Management and Economics of Communication* M. Bjørn Rimscha, 2020-06-08

This handbook combines the perspectives of communication studies economics and management and psychology in order to provide a comprehensive economic view on personal and mass communication It is divided into six parts that comprise 1 an overarching introduction that defines the field and provides a brief overview of its history 1 chapter 2 the most commonly used theoretic frameworks for the analysis of communication economics and management 4 chapters 3 the peculiarities of the quantitative and qualitative methods and data used in the field 3 chapters 4 key issues of the field such as the economics of language labor in creative industries media concentration branding etc 10 chapters 5 descriptions of the development trends and peculiarities of the field in different parts of the world written by scholars from the respective region 10 chapters 6 reflections on future directions for the field both from a managerial and from an economics perspective 1 chapter The authors of the individual chapters represent different academic disciplines research traditions and geographic backgrounds The reader will thus gain multifaceted insights into the management and economics of communication *Brains, Media and Politics* Rodolfo Leyva, 2019-11-25

Following the 2007 2008 global financial crisis a number of prominent academics journalists and activists were quick to pronounce the demise of neoliberal capitalism and governance This rather optimistic prediction however underestimated the extent to which neoliberalism has shaped the 21st century world order and become entrenched in our sociopolitical and cognitive fabric Indeed 11 years after the crisis and in spite of the significant levels of socioeconomic inequality psychological distress and environmental destruction generated by neoliberal policies and corresponding business and cultural practices the ideological hegemony of neoliberalism has not been supplanted nor has it really faced any serious unsettling How then has neoliberalism inflected and shaped our common sense understandings of what is politically economically and culturally viable To help answer this question this book combines leading theories from sociology media communication research developmental psychology and cognitive science and draws on primary evidence from a unique mix of ethnographic survey and experimental studies of young people s leisure practices and educational experiences of young adults political socialisation processes in relation to exposure to social networking sites and of the effects of commercial media viewing on material values and support for social

welfare In doing so it provides a nuanced and robustly empirically tested account of how the conscious and non conscious cognitive dimensions of people s subjectivities and everyday social practices become interpellated through and reproductive of neoliberal ideology As such this book will appeal to scholars across the social and behavioural sciences with interests in neoliberalism political engagement enculturation social reproduction and media effects

Death, Culture & Leisure Matt Coward-Gibbs,2020-08-20 Death Culture and Leisure Playing Dead is an inter and multi disciplinary volume that engages with the diverse nexuses that exist between death culture and leisure At its heart it is a playful exploration of the way in which we play with both death and the dead

Locating Nordic Noir Kim Toft Hansen,Anne Marit Waade,2017-10-14 This book is a comprehensive study of Nordic Noir television drama from the 1990 s until today The authors introduce the history of contemporary Nordic Noir from the perspective of place production and location studies The chapters include readings of well known television crime dramas such as Beck The Killing Trapped and The Bridge as well as a range of other important Nordic Noir cases The authors position the development of Nordic Noir in the global market for popular television drama and place the international attention towards Nordic crime dramas within regional development of drama production in Sweden Denmark Norway and Iceland Consequently Nordic Noir is read as both a transnational financial and creative phenomenon and as a local possibility for community building Offering a comprehensible scholarly and methodologically original approach to the popularity of Nordic television crime dramas this volume is aimed at readers with an interest in crime drama as well as scholars and students of television drama

Padres y madres en serie Visa Barbosa, Mariona (coord.),2016-09-02 La tercera edad de oro de la ficci n televisiva ha favorecido la proliferaci n de series de gran despliegue t cnico y a la vez de narrativas que describen la intimidaci n y la rutina cotidiana de los protagonistas Son obras que nos presentan personajes alejados de la heroicidad representados a menudo dentro del espacio dom stico que ha pasado a ser un lugar clave para la descripci n y evoluci n de los personajes Partiendo de la premisa que la ficci n televisiva desarrolla una clara funci n de referencia y legitimaci n social creando estereotipos y modelos en los que los espectadores se identifican este libro analiza veinte de las series contempor neas m s populares reflexionando sobre el rol paternal y maternal de sus protagonistas En algunas series se encuentran ejemplos que se alejan de la descripci n de la familia patriarcal convencional Destacamos as la pluralidad de discursos que se est n ofreciendo aunque tambi n observamos que muchas de ellas a pesar de un envoltorio transgresor siguen reproduciendo roles que alimentan los valores familiares tradicionales

Quality-TV als Unterhaltungsphänomen Daniela Schlütz,2015-11-20 Ausgangspunkt des Buches ist die Auseinandersetzung mit sogenannten Qualit tsserien als prototypische Produkte des Fernsehens im Zeitalter der kulturellen Konvergenz Es wird angenommen dass Qualit tsunterhaltung eine besondere kulturell gebundene komplexe und bereichernde Rezeptionserfahrung erm glicht Sie dient so das Argument daher als Nachfragetreiber in einer direkten Produkt KundInnen Beziehung Die Besonderheit des Buches besteht in der Integration unterschiedlicher kommunikations und medienwissenschaftlicher medienpsychologischer aber

technologies and online communities available to today's makers its simultaneous emphasis on engaging the world through design and sharing with others harkens back to early educational predecessors including Froebel Dewey Montessori and Papert Makers as Learners Volume 2 highlights leading researchers and practitioners as they discuss and share current perspectives on the Maker movement and research on educational outcomes in makerspaces Each chapter closes with a set of practical takeaways for educators researchers and parents

Teens, Sex, and Media Effects Stacey J.T. Hust, Jessica Fitts Willoughby, Rebecca Ortiz, 2024-12-12 With teens having more control and choice over their media consumption than ever before this book highlights how the current media landscape impacts adolescent sexuality in the areas of identity development romantic and sexual relationships sexual health and advocacy and education Recognizing that teens are often media multitaskers and media effects do not occur in isolation by platform the book includes examinations of a wide variety of media types and content to provide a more comprehensive look at the media landscape and its impact on teen sexuality While the text includes empirical data driven chapters that are authored by experts in the field it also prioritizes the diverse voices of teens throughout All research studies featured in the book are informed by data collection with teens themselves from various parts of the world representing a range of teen identities This is a key text for researchers and undergraduate and graduate students in the fields of communication including media effects and health communication human development psychology and public health with relevance to parents educators and policy makers as well The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Ethics, Norms and the Narratives of War Pamela Creed, 2013 This book examines the ethics and values that render a war discourse normative and features the stories of American soldiers who fought in the Iraq War to show how this narrative can change The invasion of Iraq launched in March 2003 was led by the United States under the now discredited claim that Iraq was developing weapons of mass destruction WMD However critical questions concerning what we may be able to learn from this experience remain largely unexplored The focus of this book therefore is on soldiers as systems of war and the internal battle many of them wage as they live a reality that slowly emerges as inconsistent with familiar beliefs and value commitments This work offers a reflective study of identity struggle from the perspective of emotional psychology and delves into the narrative field of socio politics Going beyond the political contestations over the U.S. military intervention in Iraq the author analyses original research on the evolving beliefs and value commitments of veterans of the war exploring their faith in its just cause and their personal sense of self and national identity This book will be of much interest to students of the Iraq War U.S. foreign policy military studies discourse analysis and IR in general
