

"A marvelous highbrow thriller. It combines a tremendous gift for describing a place and time in history—in this case, Königsberg in the winter of 1804—with a hard-driving plot."

The Publishers Weekly ,2008 **A Visible Darkness** Michael Gregorio,2009-04-14 Prussia has been overrun by Napoleon s forces and the Emperor s troops have discovered a new source of funds there enough amber to finance France s wars But their plans stall when the girls who collect the stones begin to disappear only to be found gruesomely disfigured by an unknown killer The French call upon Prussian investigator Hanno Stiffeniis who must seek out the culprit knowing hat his own success may doom his country s future Dark intelligent and vividly written A Visible Darkness continues a masterful series of historical mysteries that portray a past torn between nationalism and humanism superstition and science **Days of Atonement** Michael Gregorio,2008-04-01 Be very careful sir the young officer warned Colonel Lavedrine is a guest of this house and this nation I can hardly believe that any Prussian would be so foolhardy to doubt his word Every man in Paris has heard of his capacities I see no reason why this Professor Kant of yours should not have heard of them too Lavedrine sat back in his seat a thin smile on his lips stroking his chin with his thumb and forefinger He seemed to be scrutinizing me curious to hear what my reply would be If Colonel Lavedrine can prove the truth of what he says I returned glancing between my accuser and the man I had accused I will apologize with all my heart And if that apology does not satisfy him I added leaning back in my chair shrugging my shoulder the prison cells are waiting for Prussians such as me who are obliged to have guests such as you I suddenly realized that the room was silent It is 1807 and Napoleon s army has swept over Prussia leaving in its wake a conquered land occupied by the French Local magistrate Hanno Stiffeniis has retreated to his home in the countryside in the hopes that he can keep himself away from the scrutiny of the occupying forces But when Serge Lavedrine Paris s famed criminologist requires his services Stiffeniis has little choice but to accept Three children have been found massacred in their beds Their mother has disappeared without a trace Terrified by the gruesome murders the local townspeople have become convinced that the crimes are the work of the local Jewish population The ghetto has been closed off but the crowds gathered in the streets are desperate for justice of any kind The French authorities want nothing more than a quick resolution and an end to the hysteria that has gripped the town Stiffeniis has his own reasons for accepting the case The victims father serves as a soldier in remote Kamentz where the resistance to Napoleon s occupation is already developing If Stiffeniis cannot discover the whereabouts of the mother and the identity of the murderer in time he risks exposing the Prussian rebellion to the French before it has the strength to succeed To succeed he must once again put to use the powers of deduction learned from his late teacher the famed philosopher Immanuel Kant Michael Gregorio s internationally bestselling debut Critique of Criminal Reason was hailed by critics across the world and named one of Playboy s Best Books of 2006 Now its sequel Days of Atonement marks the thrilling return of one the most talented new voices in

historical fiction Unholy Awakening Michael Gregorio, 2010-09-28 A woman's body has been found at the bottom of a well. The death wounds are startling: two small round punctures to the jugular vein. Vampire fever is spreading throughout the countryside and suspicions soon fall on the recently arrived Emma Rimmele. Investigator Hanno Stiffenhiis must do everything he can to find the true culprit before the mob's hysteria reaches its breaking point and turns violent. Set in a nineteenth-century world where people truly believed in vampires, *Unholy Awakening* pits rational scientific detection against unhindered violent superstition.
