Intercultural Management Dirk Holtbrügge, 2022-02-25 This textbook explores the reasons for intercultural differences and their effects on the behavior of individuals and organizations within the context of management The text embraces the presence of ambiguity and complexity and encourages critical thinking when it comes to intercultural relations in order to avoid ethnocentrism stereotyping and prejudice as well as overly simplistic solutions Integrating findings from management but also the humanities and social sciences as well as politics and popular culture intercultural management is understood as a phenomenon that transcends disciplinary boundaries and includes questions around identity constructions power relations and ethics This makes intercultural management a fascinating and rewarding subject to study Throughout the author encourages an analytical approach to intercultural management built upon strong methodological foundations and draws on examples from a wide range of different contexts and cultures to help reflectively translate research and concepts into practice in a way that is lively and engaging This textbook is essential reading for students taking university courses related to intercultural management Lecturers can visit the companion website to access a Teaching Guide and PowerPoint slides that can be adapted and edited to suit teaching needs Dirk Holtbrügge is Professor of International Management at the School of Business Economics and Society Friedrich Alexander University Erlangen Nürnberg Germany

De-Stress at Work Simon L. Dolan, 2023-03-17 Burn out excessive hours office politics handling complaints isolated remote working complex and inefficient processes this book addresses the full complexities of chronic stress at work It explains the potential for emotional and physical illness resulting from work and importantly presents ways

in which occupational health and wellbeing can be enhanced through strengthening chronic stress diagnosis and promoting resilience The latter is a win win for the worker for the organization and for society in general Drawing on 40 years of research in collaboration with some of the best known occupational stress gurus including Cary Cooper Susan Jackson the late Ron Burke and Arie Shirom Simon L Dolan translates abstract concepts of chronic stress into practical guidance for enhancing resilience in a VUCA world The ILO and many governments recognize stress as a principal cause of emerging physical and mental disease and one of the strongest determinants of high absenteeism low morale and low productivity While important advances have been made in the diagnosis of acute stress the field of chronic stress in the workplace remains less clear This book seeks to address this by presenting a wealth of diagnostic tools including The Stress Map The text is brought to life for the reader by short vignettes in the form of anecdotes and stories This book will be of particular interest to HR professionals consultants executive coaches therapists and others who wish to help employees and clients better manage their own and others stress and to build resilience that leads to a more productive and healthier workforce
