[Ministry Among God's Queer Folk, Second Edition](#) Bernard Schlager, David Kundtz, 2019-01-21. This practical pastoral care handbook written by two self-described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy; the former can be developed by ministers and lay people with sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care. [We Will Always Be Here](#) Jenny Kalvaitis, Kristen Whitson, 2021-05-19. This inspiring and educational book presents examples of LGBTQ activism throughout Wisconsin's history for young people to explore and discuss. Drawing from a rich collection of primary sources including diary entries, love letters, zines, advertisements, oral histories, and more, the book provides a jumping off point for readers who are interested in learning more about LGBTQ history and activism, as well as for readers who want to build on the work of earlier activists. *We Will Always Be Here* shines a light on powerful and often untold stories from Wisconsin's history featuring individuals across a wide spectrum of identities and from all corners of the state. The LGBTQ people, allies, and activists in this guide changed the world by taking steps that young people can take today by educating themselves, telling their own stories, being true to themselves, building communities, and getting active. The aim of this celebratory book is not only to engage young people in Wisconsin's LGBTQ history but also to empower them to make positive change in the world. **The Shakespeare Newsletter**, 2000. **Spenser Newsletter**, 1998.
